Use It...Or Lose It

Paperwork delays commencement of bus to Belleville until Sept. 12th.

Ministry of Transportation paperwork has resulted in the commencement date of Madoc's new bus service to Belleville being delayed until the morning of September 12th.

Franklin's Coach Lines Limited of Belleville will be operating the bus service from Madoc to Belleville beginning September 12th, according to Franklin's employee Monte Smith. The beginning date of September 6th was cancelled because "we can't get it in place by then" said Mr. Smith.

TRIAL PERIOD

The bus service will begin a trial period September 12th and ending September 30th. By this time Monte says, we should no if we will have enough ridership to continue to operate the service. We want to first see

if there is a need; you can't expect anybody to operate it (the bus service) at a loss".

The bus service has been established to serve anyone wishing to utilize it. Originally, though, Tom Harwood of Social Services, Belleville, was looking at the bus service to accommodate those who were out of work, who wanted to work, but couldn't find the needed transportation.

A.M. ROUTE

7:15 a.m. - leaves from the four corners in Madoc.

7:20 a.m. - Kramp's Restaurant (across from ball park).

7:30 a.m. - Hwy. 62 & Crookston Road.

7:45 a.m. - Bank of Commerce in Tweed.

8:15 a.m. - Quinte Hotel, Bridge & Pinnacle, Belleville.

8:30 a.m. - Loyalist College.

P.M. ROUTE

4:45 p.m. - leaves Loyalist College.

5:00 p.m. - Quinte Hotel, Bridge & Pinnacle.

5:30 p.m. - Bank of Commerce, Tweed.

5:45 p.m. - Hwy. 62 & Crookston Road.

5:55 p.m. - Kramp's Restaurant.

6:00 p.m. - Madoc's 4 corners.

FARES

Fares will be the same from Madoc to Belleville and from

Tweed to Belleville.
 Weekly rate - \$35.
 One way - \$5.
 Daily return - \$9.

MARMORA NEXT

If a success, the bus service could be extended to accommodate those in Marmora.

Over 40 people responded to the reader call-in survey which appeared here in the Madoc Review, when Tom Harwood and George Frantz first approached the paper about the possible establishment of

the bus service and their need for public support.

Read the headline again!

Another 30 people viewed their support for the bus service through social services.

Read the headline again!

I hope those who said they needed the bus, get out and now use it, either for school or for work.

A bus service has been tried before and failed!

How many times is a person or community allowed to 'cry wolf' anyway?

Futures program pays off for Madoc Resident

(Story Page 2)

Grant Smith of Madoc will be working part-time in the positions of an Animal Control Officer and a By-law Enforcement Officer for the Village of Madoc.

Two in One

Effective immediately we now have an Animal Control Officer and a By-Law Enforcement Officer, all rolled up into one.

Grant Smith, after seeing the article in the Madoc Review regarding the double parking problem and the fact that we needed a by-law officer, forwarded his resume to our Village offices.

Formerly, Grant worked as a by-law enforcement officer in Mississauga.

The position in Madoc, however, is part-time or a couple of hours per week.

Grant, who will be working on an on-call basis, will transport any animals picked up, to the Ontario Humane Society in Belleville.

As a By-Law Enforcement Officer he will regulate parking violations such as double parking, and vehicles parked in spots for the handicapped as well as property standards by-laws and zoning by-laws.

Christine Moore, placed with Madoc's Adult Day School through the government's Futures program, assists student Leo Quinlin, with his work, during last week's classes.

DATES TO REMEMBER

Sept. 8 - Fair Queen Competition at the new Madoc Township Recreation Facilities beginning at 8 p.m. Included within the competition will be a fashion show.

Sept. 10, 11 - ORSA Championships, Eldorado Ball Park.

Sept. 11 - Big Brothers/Sisters Car Rally. Begins at 10 a.m. at the IGA in Stirling.

Sept. 17 - Sr. Boys Volleyball Tournament at CHSS.

Sept. 23, 24 - Madoc Fair!!!

CHSS holds "Mouthguard" Clinic

Ever heard of a mouthguard. Well 5,234 students in the Prince Edward and Hastings Counties have.

Internal mouthguards are mandatory for Quinte Cossia Football and are highly recommended for all other contact sports.

A clinic sponsored by the Health Unit Dental Services program, will take place at CHSS, Monday, September

12th at 1:30 p.m.

The cost is \$8 and \$10 if subsequently fitted at the Health Unit.

The mouthguard is internally worn and is used primarily to reduce dental-sports injuries.

If skeptical about the mouthguards history, contact your child's phys-ed teacher or dentist.

Custom-made mouthguards

will prevent most tooth and jaw injuries in contact sports. They should be used together with external protection.

The health unit recommends that the routine use of mouthguards for all games, practices and phys-ed classes, by both boys and girls.

CHSS, Monday, September 12th at 1:30 p.m.

Park offers ATV rentals

ATV instruction and pleasure cruises were offered during this summers Camp Lake Stoco, Trudeau's Park, for children between the ages of 7 and 15. The ATV's are now being offered

on a rental basis to anyone wishing to utilize machines. These local kids stopped long enough to have their picture taken but not names; the youngest of these four was age

Letters to the Editor

Adopted ?

Searching for Daughters

Dear Editor,

I've been searching for my daughters for over 29 years. I was wondering if anyone out there could HELP me. They were adopted in Belleville or surrounding area, in or about 1959 or 1960. Debra Lee was born on Nov. 15, 1957, Donna Rose on Nov. 10, 1958. Please girls if you think this may be you Please call me. Don't be afraid. I love you both. There is a lot to be said why you were put out for adoption. I'm not trying to interrupt your life. I know you probably have a wonderful mother and father. But, I have to see just for myself. Please phone collect if you must. (613-962-1168) after 3:30.
Olive Easton (married name Wigger)

Proposed Park

Dear Editor

Councillor Ken Yarrow's suggestion in the Madoc Review of August 24 that the Township of Huntingdon create another small park on the old excavated railroad bed, once the township obtains legal title, does not strike these readers as a very useful or progressive one. A park area on either side of Highway 62 at this point is not realistic.

The necessity for safe access is important for a facility to be used by the general public. At present there is no such access to the proposed site. So far this year there have been 3 accidents one in which two people were killed and three others seriously injured. As well local people have had to ditch their vehicles in order to avoid collisions. In addition the removal of the railway underpass has increased the traffic on Highway 62 of heavy transport and logging trucks thereby compounding the hazard on the curve.

Now approximately 100 meters north of Councillor Yarrow's proposed new park and recreational facility is a very attractive roadside park with swimming, fishing, boating and picnic facilities. In addition there are the necessary amenities to make visiting travellers comfortable. All this has been donated and is maintained by the Madoc Kiwanians for the benefit of the citizens of Madoc and our own Township of Huntingdon plus of course visitors to our area. This is a well planned facility which no doubt will improve every year. And there is safe access.

In view of these factors we hope the township will not rush into this matter of "progress" without serious thought on the issue.
C. W. Thompson & M. Watson.

You say you haven't got an ATV but you, or your children would love to be able to ride one nonetheless.

Head over to Trudeau's Park, Stoco Lake, any day, any time, and rent one for \$10 per hour.

Originally, children attending this years Camp Lake Stoco were given a safety course regarding the operation of ATV's. The course involved a written test, a practical test and a safety video supplied by Honda.

Lydia Veerman, the camps co-ordinator, says that if enough interest is received regarding the institution of safety classes for the ATV machines, then Trudeau's Park might quite possibly look into the establishment of such a course.

70 ACRES OF TRAILS

As it stands now, anyone can rent the ATV's, but they must remain on park property. Trails offered at Trudeau's Park include a mile and a half of lakeshore which is included in the 70 acres the park houses. A guide will accompany anyone renting the

ATV's. Jeans and workboots or runningshoes should be worn during the rental period, but are not mandatory. If you have a preferred helmet bring it, otherwise helmets are included in the rental price.

There are currently four ATV's available for rental in groups or on an individual basis. Lydia suggests you call first and book your rental time. For further information dial 478-5511.

HORSEBACK RIDING

Under the same regime, horseback riding is available at Trudeau's Park for again, \$10 per hour. Kevin Trudeau, the park's owner, will be the guide on most rides.

Six well trained quarter horses are available for western style only, no english. The rides should be booked in advance and are available only during the evenings.

Both, ATV's and horseback riding will be available year-round.

A SUCCESS!

Fifty kids from across Ontario attended the first

Futures pays off

Under 25, out of school and out of work. This message is conveyed through the media to the public on a daily basis. It's one of the most recognizable publicity

campaigns ever to be sponsored by the government.

Christine Moore, 25, a Madoc resident, took a friend's advice and joined up with the Futures program.

Now working as a teaching aid with Madoc's Adult Day School, Christine recalls working as a dishwasher in a local bakeshop, a gas bar attendant and a waitress at the now non-existent Chow's Restaurant in Tweed.

The Future's program has worked for Christine, she says "I'm grateful to the Futures for what they've done for me".

Mike Whittaker, from the Futures program at Loyalist College says that Futures just wants to give that needed "push" in the right direction. The program is set up to assist those who don't have their grade 12 diploma's and who want to do some upgrading. Through articles like this one, Mike says, we want people to "just come in and talk to us".

MARRIED AT 18

Christine quit school with a grade 10 education under her belt. She married when she was 18 and has spent the last seven years at home with her children. Now she needs a change. A goal in life. She

Cont'd on page 8

running of the Camp I Stoco at Trudeau's Park. far, most of the kids coming back next year" Lydia Veerman. "Three the kids here for the first week session, returned for final one week session; liked it so much".

For the price of \$275 week or \$500 for two weeks kids were treated to car rides, hay rides, horseback riding, ATV's, an Olympic day, a Red Cross swim program, a karate demonstration, day excursions to Echo Park and O'Hara and various other fun activities; to many to mention.

Brochures, for next year Camp Lake Stoco, are available through Trudeau's or dial 478-5511 and they will happy to mail you one.

Squirt Girls

THANK YOU

John and Shirley Rogers, being the coaching staff of the Madoc Squirt Girls, wish to express their thanks to all the girls who worked very hard throughout the '88 season and all the of the teams supporters! The year-end bash was a success and special thank-you's go out to Sue Christensen for the use of her backyard barbecue and to Nellie Scrutton for allowing the girls the use of her pool. Thank-you everyone!

The Madoc Squirt Girls Softball team held their year-end bash last Thursday in celebration of the completion of another year. (from left) Brandy Bowers, Angela Thurston, Sherry Beals, Marsha Wiggins, Amy Scrutton, Katie Johnston and Shelby Kramp. John Rogers

(back) was the teams coach this year, and his wife-to-be Shirley (back) was their assistant coach. Absent from the picture were Marcie Deering, Krista Bronson, Ellie Kawker and Barb Christensen.

Ont. Softball Championships in Eldorado

by Isabella Shaw

Softball celebrated its 100th Anniversary on Nov. 26, 1987 and devotees of the sport have a football fan to thank for it. The way the story goes, the first softball was an old boxing glove with a shoelace tied around it. On November 26, 1887, a fan of the Harvard Yale football game tossed the makeshift sphere in the air and softball began.

Over the years the basic game of softball has not changed. There have been minor rule changes but softball still consists of pitching, hitting, fielding and base running.

The original style of pitching (wrist inside the elbow) gave way to the windmill style. Originally only the catcher and 1st baseman were allowed to wear gloves. Now everyone

may wear a glove. Later came oversized gloves, aluminum bats and even slo-pitch. Also came millions of players from T-Ball up to and including Intermediate men and women.

This coming weekend the Madoc Township Association will host the All Ontario Rural Grand Championships Series. On September 10th beginning at 12 noon and on September 11th beginning at 9 a.m.

On Saturday the 10th at 12 noon Aberfoyle "A" division will meet Innerkepp of the "C" division. Aberfoyle defeated last years winners. At 1:45 p.m. Strabane of the "D" division will meet Harwood Corners of the "B". Aberfoyle and Strabane are repeat competitors.

And at 3:30 the Ladies will meet in their first game in best of three series. Norwich the

Intermediate "A" Champion will meet with Ayr or Hicks of the Intermediate B winners.

Last year was the first year for this series and saw Fisherville emerge as winners in sudden death series. The Fisherville team was eliminated by Norwich in opening round action this year.

After these three games the competition will rest until the morning and the teams will have their banquet and dance. The dance music will be provided by the popular "Country Pride" and the supper will be catered by Kramps Restaurant.

On Sunday the day begins at 9 a.m. with competition going until winners are decided. So for top notch softball at its finest come to Eldorado on September 10th and 11th.

Early start for Ross Baker

under the Conservative, Liberal and NDP direction.

Furthermore, since the new Parliament will have more MPs (295 MPs, compared to

282 MPs), this will further dilute the influence of Our New MP.

I will attempt to reverse this trend!

Brownie/Guide News

Fall is almost here and it's time for Guiding to start up across Canada. Madoc is no exception. The Brownies (age 6-9) and Guides (age 9-12) are holding registration on Tuesday Sept. 13, at the Anglican hall from 7:00 until 8:00 p.m.

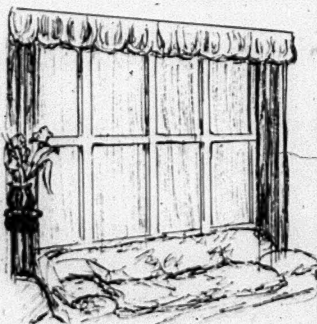

At present there are no leaders available for the Pathfinder group (age 12-15). Anyone interested in helping with this group, or assisting with Brownies or Guides please contact one of the local leaders or call the Deputy District Commissioner Mary Mikkelsen at 478-3942.

The scope of the Guiding movement covers the outdoors, the home, the community and the world. It provides a unique opportunity for both the girls and their leaders to discover an awareness act not only of their own community, but how that community relates to Canada and the world.

The program also helps girls develop personal values and respect for others. Through games, crafts, story telling, hiking, camping and community service they learn about themselves and each other.

So come out and join the fun.

Quinte Crime Stoppers

Quinte Crime Stoppers and Madoc Detachment OPP are seeking the persons who are responsible for the break, enter and theft at T-Bell's Take-Out on Mathew Street in Marmora. The business was closed at 7

p.m. on Wed., June 15th, and reopened at 9:55 a.m. on Thurs., June 16th, 1988, and at that time the break and enter and theft was discovered.

The culprits gained entry to the store by cutting out an 18"x18" screen on an aluminum window and then sliding open the window. The window is located on the southwest corner of the store.

It appears that the thieves helped themselves to a green garbage bag and then loaded it with 34 assorted packages of cigarettes and \$70 in cash. The thieves then exited the store by either the rear door or by the way they entered. The total value of the money and cigarettes is listed at approximately \$200.

Crime Stoppers offers a cash reward up to \$1000 for information leading to an arrest in this crime or any other unsolved case. If you have any information, call Crime Stoppers at 969-8477 or 1-800-267-4357. Callers will not be required to reveal their identity nor testify in court.

Watch for a re-enactment of the "Crime of the Month" on Cable 4 TV, Belleville, at the following times: Mon. 8:30 p.m./ Tues. 7:30 p.m./ Wed. 8 p.m./ Thurs. 8 p.m./ and Sun. 5:30 p.m.

To make a tax-deductible donation, write to: Crime Stoppers Quinte Inc., P.O. Box 726, Belleville, Ontario K8N 5B5. Crime Doesn't Pay - Crime Stoppers Does.

Garbage Day, Sept. 12th

FREE **FREE**

Township offers free pick-up

At the Huntingdon Township meeting July 25th, council decided that this year, Monday, September 12th, would be the day the Township will provide a one-day garbage pick-up of large household items.

These items, usually unmovable by local residents because

of their size and weight, will be transported by the Township to area dumps.

If you would like anything picked up on that day contact the Huntingdon Township offices at 473-4030.

Last year approximately 40 households, in the immediate area were serviced.

Church

NO RIGHT OF WAY

Christianity is not an appendage. It is not a part of our life. It is our life!

When Christians fail to realize that their faith encompasses their entire life, they will experience trouble. The devil will win in any area that is not wholly surrendered to God. That area will fester and be a constant source of grief, until it is surrendered.

A. T. Pierson would tell the following story: "Suppose you have a thousand acre farm and someone offered to buy it. You agree to sell the land except for one acre right in the center which you want to keep yourself. Did you know that in some areas the land would allow you to have access to that one lone spot? And if you would have the right to build a road across the surrounding property in order to get to it?

So it is with us as Christians, if we make less than 100-per-cent surrender to God. We can be sure that the devil will take advantage of any inroad to reach that uncommitted area of our lives.

As a pastor, I have opportunity to view many persons suffering spiritual defeat. Often, the root of the problem is an unsundered area in the person's life.

Spiritual victory is not in holding on, but in letting go.

Jewish law contained an offering known as the grain offering. Its sole purpose was to afford a daily opportunity for the Jew to wholly surrender themselves to God. This offering serves as the background to the verse the Apostle Paul penned in the book of Romans chapter twelve and verse one. "Therefore urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God - which is your spiritual worship."

If you are struggling in your spiritual life, try to do a complete surrender your life to God. Don't allow the devil the inroad he needs to travel for so long.

The Corporation of the Village of Madoc

PUBLIC MEETING

Concerning a Proposed

ZONING BY-LAW AMENDMENT

TAKE NOTICE THAT the Council for the Corporation of the Village of Madoc will hold a public meeting on October 11, 1988 at 7:00 p.m. at the Madoc Village Municipal Office, 107 St. Lawrence Street West, Madoc, Ontario to consider a proposed zoning by-law amendment under Section 34 of the Planning Act.

The proposed zoning by-law amendment would change the zoning category of North Part of Lot 26 and Lot 25, Plan 218, on the north side of Elgin Street, Village of Madoc from R2 zoning to R4-1 zoning to allow an eight (8) unit apartment building.

ANY PERSON MAY ATTEND the meeting and/or make written or verbal representation, either in support of or in opposition to, the proposed zoning by-law amendment.

ADDITIONAL INFORMATION relating to the proposed zoning by-law amendment is available for inspection during normal business hours Monday - Friday at the Madoc Village Municipal Office at 107 St. Lawrence Street West, Madoc, Ontario.

Dated at the Village of Madoc this 31st day of August, 1988.

Sharon and Jeff of Grafton visited Mrs. Will Lynn on Saturday, August 27th.
A Birthday Party was held on Sunday afternoon for Mrs. Hilda (DeClair) Armstrong, in the S.S. room of the Church. Among the many gifts were a Plaque from Government congratulating her on her 90th birthday and a large bouquet of roses and other gifts from her former students.
Mr. & Mrs. Lawrence Polk of Toledo Ont. and Mrs. Shirley

Cooper and Mark Stevens of Deloro visited Mr. and Mrs. Alex Clarke during the weekend.
Miss Tracy DeClair spent Friday and Saturday 26th & 27th in Toronto with her sister Stacy DeClair.
Mr. and Mrs. Charles Partridge, Theresa and Scott of Toronto visited Mr. and Mrs. Sam Lewis the second last week in August.
Mr. and Don Ash of Madoc, visited Goldie Holmes on Sunday afternoon.
Thanks to friends, relatives, Doctor Patel, Dr. Derry, Nursing Staff on 4th floor of Belleville Hospital for all their kindness to me when I was

there August 10th - 17th. Also to all who sent cards and visited me there and since returning home. Also Home Care.
If kindness would make me better, I'd be shouting for Joy. Thanks again.
Mr. and Mrs. Fred Bosley spent the weekend of August 20-21 in Long Sault with Mr. and Mrs. Ross Blakely and the last weekend in August they visited Mr. & Mrs. Wilfred Corkey in Kingston also Loretta (Tiny) Nash from Gagetown N.B.

Futures

Cont'd from page 2
doesn't want to go back to washing dishes or waiting on tables.
Through the Futures program, Christine has one year to gain the work experience necessary to obtain a full-time position. Once a full-time job is obtained, she plans on using that money to attend the Early Childhood Education Diploma course offered at Loyalist College.

Christine's expresses her enthusiasm saying that the Futures program is allowing her to do something for herself and her family too, and helping people here at the Adult Day School, makes her feel good.
The Futures program tries to help those who want to help themselves. Mike Whittaker says that "the ones who expect it just to be handed to them - it just doesn't happen. If you really want it, you can do it." Christine is the perfect role model.

LOCAL COLLEGES
In order to qualify for assistance through the governments Future's program, you have to be absent from the schooling system for at least one year.
"Just come in and talk to us according to Mike Whittaker."
The Futures program is presented to the public through Community Colleges.

OBITUARY

William Henry Ashe, passed away suddenly August 4, 1988 at his residence, 39 Boswell St., Belleville, Ont. He was in his 83rd year.
William was the son of Joseph Edward Ashe and Emma Revoy and was born in Huntingdon Township in the County of Hastings.
He was predeceased by his wife, Irene Nevels. Prior to moving to Belleville 4 years ago he and his wife resided at R. H. Madoc.
Left to mourn are 2 sons, William Madoc, Bruce Barrie also 4 daughters, Bernice Wilkin, Alison Niagara Falls N.Y., Berdina Keller Crookston, Jewell Asselstine Belleville and Yvonne Quinlan Cannington. He was predeceased by 2 sons, Bob and Bernard. He also leaves 23 grandchildren and 25 great grandchildren.
One brother George Ashe predeceased him.
William was educated at the Woodchuck School, 12th line, Concession Rd. He was a member of Madoc Loyal Orange Lodge.
Friday evening an L.O.L. Service was held for him.
The funeral was Sunday, August 7, 1988 at 2 p.m. from McConnell Funeral Home Madoc, with Rev. R. Martin officiating.
Interment was at Lakeview Cemetery.
Honorary Pall Bearers were grandsons Joseph Asselstine, Dale Asselstine, Charles Ashe and Ken Keller.
Pall Bearers were Robert Ashe, Robert Wilkinson, Douglas Wilkinson, Carl Quinlan, Leo Keller and Larry Keller.

Summer fishing produces top catch

Summer fishing has been successful for sportsmen across the province, according to officials of the 1988 "Molson Export" Big Fish Contest.

"The contest offers \$80,000 in prizes to sportsmen fishing in Ontario waters, and this is obviously attracting top competition again this year," said Contest Administrator, Dr. Terry Quinney of the Ontario Federation of Anglers and Hunters.

"Everyone fishing in Ontario waters for largemouth bass, smallmouth bass, northern pike, muskellunge, walleye, brown trout, lake trout, rainbow trout, speckled trout and salmon can participate, and we are receiving some really exciting entries.

For example, never before in the 30-year history of the "Molson Export" Big Fish Contest has a lake trout larger than 41 pounds been entered - but Albert Somers of Blind River has changed that.

On July 12, he was fishing in Mattiendia Lake, west of Elliot Lake, when a 49-pound laker went for his lure. This spectacular fish is now competing for both a contest record and top honors in the Catch and Eat lake trout class of the "Molson Export" Big Fish Contest.

The 1987 winner of the Live Release muskellunge class, Bob Mehsikomer of Minnesota, returned to Lake of the Woods, south of Kenora, in July for a chance at the 1988 title. Using a Tail Walker lure, he caught and released a magnificent 56" lunge. This fish is 2.5" longer than his 1987 class winner!

Jack Hamilton of Nipigon has been entering live released speckled trout in the "Molson Export" Big Fish Contest for several years and placing in the top 15 in his class with them. Looking promising for 1988 is a 23.75" speckle he

caught in early June and returned to the waters of Lake Nipigon.

In June, Kenora resident Colin Grant took a photo of his 41" northern pike and quickly slipped it back into Lake of the Woods. With the photo and completed entry form, Grant entered his fish in the Live Release northern pike class of the "Molson Export" Big Fish Contest.

Anglers from southern Ontario have also been landing potential winners.

Rob Curry Jr. of Peterborough varies his fishing technique for best results. "I'm experimenting all the time," he says. So far, this season, he's entered a 24" smallmouth, a 24" largemouth (both from Chemong Lake, north of Peterborough), and a Lake Ontario salmon that measured 48.5". All three were live released so they can spawn again.

Pennsylvanian Reid Williams was so proud of the walleye he caught in Georgian Bay in July that he promptly entered it in the "Molson Export" Big Fish Contest. Reid's wonder fish tipped the scales at 14.37 pounds and measured 32" in length.

Though these are just a few examples of the action that fishing enthusiasts are enjoying in Ontario, there is still lots of room in the "Molson Export" Big Fish Contest for anglers who want a share of the contest's \$80,000 in prizes.

To enter the "Molson Export" Big Fish Contest, simply catch one of the ten contest species, photograph it, have witnesses verify its measurements, and send the completed entry form to the Ontario Federation of Anglers and Hunters, PO Box 28, Peterborough, K9J 6Y5, before December 6, 1988.

Judging of the contest takes place in December and

winners will be announced on January 13, 1989. Prizes include 20 Evinrude electric motors, 60 cash prizes, 300 Berkley rod and reel combinations and a Certificate of Participation for each competitor.

Ontario resident anglers aged 19 and over are also eligible for the OFAH "Any Fish Can Win" Grand Prize Draw. By entering the "Molson Export" Big Fish Contest, each will automatically qualify for the draw for a

Dodge Dakota 4x4 pick-up truck, a 15' Stryker bass boat and trailer, and a 70 h.p. Evinrude motor.

In addition, any Ontario resident aged 19 and over who enters any game or non-game fish caught in Ontario waters will also have his/her name entered for a chance at the draw.

Further, one competitor in the "Molson Export" Big Fish Contest will be named the 1988 Ontario Angler of the Year and

awarded a 9.9 h.p. Evinrude outboard motor.

There is still plenty of time to catch a potential prize winner and enter it in the "Molson Export" Big Fish Contest.

Entry forms are available from all Evinrude, Stryker and Chrysler dealers; all Molson representatives; Canadian Tire stores, Northern Ontario Tourist Outfitter Association lodges; and directly from the OFAH, Box 28, Peterborough K9J 6Y5.

Meet some M.S. friends

Dear Friend:

Allow me to introduce you to a few of the 50,000 Canadians who have multiple sclerosis...people just like you and me except their lives have been irrevocably changed by MS.

Through the enclosed material, you'll meet people who everyday must face the fear that, for them, tomorrow may be worse.

Yet in spite of their often severe disabilities, in spite of the fact that the progress of multiple sclerosis is almost completely unpredictable, their stories are ones of courage and hope.

MS strikes most often between the ages of 20 and 40 - in the prime of life. And it strikes in a most insidious way: a wave of symptoms, an unexplained remission, and then, without warning, new and often more severe symptoms.

We know the symptoms well: numbness, loss of coordination, loss of balance, tremors, double vision, extreme weakness or fatigue, paralysis.

We know the symptoms are caused by a breakdown of the

central nervous system's insulating cover - the myelin sheath. But we don't know what causes this to happen or how to prevent it.

The people you will meet in the next few articles have learned to live with multiple sclerosis, but what sustains them is hope, hope for a cure - the most common neurological disease of young Canadians - is never part of your life. But it is part of the lives of one in 500 Canadians and their families.

Please join with me in helping to find a cure for multiple sclerosis. Please give to help a loved one - yours or someone else's.

From me and the people you'll meet in the next few articles.

Thank you,
Catherine McKinnon
Honorary Campaign
Chairperson

P.S. Please send the most generous contribution you can. Your donation will make a difference.

Linda Cohen wanted to do something special to raise money for MS research and to increase people's awareness of the disease. Taking her inspiration from Terry Fox, Linda spent four and a half months wheeling around Alberta...a 3,000 km wheelchair marathon.

Linda experienced symptoms for four years before her multiple sclerosis was diagnosed in 1977. "I knew some-

thing was wrong, but MS is sometimes very difficult to diagnose." Nine years later she began training for her marathon.

"I wanted to show other people with MS that you can still achieve things," says Linda. "And I figured if people know more about what MS is, they'll be more willing to give to support MS research."

Gaston Lalancette had a good job as a salary administrator with a large aircraft manufacturer in Montreal. Then, in 1981, he was told he had multiple sclerosis.

When his MS attacks became very bad, he had to take disability leave, but he wasn't happy being home with nothing to do. So three years ago, Gaston started his own business.

An avid stamp collector, he recognized a need for a service which could help collectors determine the value of their collections.

Gaston now employs four other disabled persons to help him evaluate stamp collections. Half the profits from the business go to the local MS clinic and half go to fund MS research.

Kathy Harvey is a water colorist whose pictures really tell a story. Her studio is an Ontario hospital ward. Her brush is guided not by her hand but by her mouth.

Cont'd on page 16

Three pitch winners - The Campbellford Minor Hockey Association sponsored a mixed 3 pitch baseball tournament on the labour day weekend and it was won by a team from Warkworth, Summergreen Farms. The

members are front row: (l-r) Randy Thomas, Larry Marshman, Shawn Young, Kevin Mills, Troy Kelly. Back row: Robin Thomas, Amber Cooke, Marianne Greenly, Shelley Towns, Dawn Towns.

Warkworth Fair this weekend

by Brian Carruthers

The Warkworth Agricultural Fair is fast approaching and the preparations are coming to a head.

There are still some car draw tickets available. If you wish to purchase one call Grace Dollimore at 924-2074.

There will be a show and shine contest for transport trucks. They will also be in the parade and then be judged. As well there is the talent contest,

a tractor pull and games for young and old alike.

This is all in addition to the gigantic Parade, the light and heavy horse shows, the pony pull, the baby show, the holstein show and a bingo.

The Homecraft division, which includes the school work displays, has been expanded. This is in particular true of the junior school work display.

For more information on any of the above call Arlene Lowe at 924-2648.

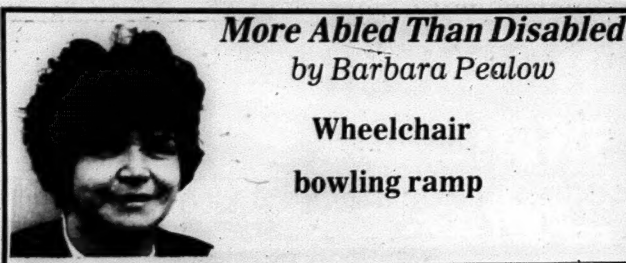

We got it! A new bowling ramp. Thanks to all the people who have donated their I.G.A. and Sharpe's tapes. This ramp has been purchased with that money. It will enable people who would have not otherwise had the opportunity to enjoy the sport of bowling.

HOW IT WORKS. After the bowling ramp is centered in front of the lane, an assistant will place a bowling ball on the (level) point of the ramp. The bowler then pushes the ball with his/her hands, sending it down the frame and onto the alley into the bowling pins.

The ramp is made of welded, chrome-plated steel and is strong and durable. It can be disassembled into two pieces for easy storage and transportation.

THANK YOU.

For more information, and to try it out, contact Doreen Sharpe: (705) 653-4066.

bowling ramp

My first ride on my Fortress 2000 chair. by Clara Robbins

Four years ago, Ruth Ginman of M.S. Toronto, with the help of Doreen Sharpe, my physiotherapist, arranged for me, (a shut-in) to have the use of a Fortress 2000 scooter. I want to express the joy of being able to go outside, to go uptown, free and in control. How wonderful it was to feel the air rush all around me as I moved along on solid ground. And to see the joy

in the faces of my friends at seeing me out and about again. So I wrote this little poem called, 'AS I GO'.

I feel the breezes all around me
Freedom found, denied, returns
Onward moving, in control;
Sun above, and ground below.
Friendly faces smiling back,
Voices cheer me on my way...
Slowly now... to see the flowers.
Stopping now... to drink it in.
Embrace the joy of feeling free...
Loving the fortress that carries me.
Clara Robbins

CELEBRITY CLASSICS COOKBOOK

A unique collection of all-time favorite recipes especially selected from the Carnation Kitchens with the help of an exceptional group of Canadian celebrities, recognized for their own unique talents and accomplishments. The 44 personalities in this book have two things in common: they appreciate good food, carefully prepared, and graciously served at home with family or friends, and they share an active interest in supporting the Multiple Sclerosis Society of Canada.

M.S. is the most common neurological disease affecting young Canadian adults.

Striking people between the ages of 20 - 40 MS attacks the myelin covering of the central nervous system. The resulting symptoms may include double vision, extreme weakness, lack of co-ordination, tremor, and even paralysis.

Founded in 1948, the M.S. Society of Canada is a world leader in supporting research into the cause, prevention and cure of M.S. It is for this reason that the collection of classic recipes is presented for your enjoyment.

All profits from the sale of this book will go to the M.S. Society to speed the research necessary to bring an end to this crippling disease.

Let 14 famous Canadians introduce you to mouthwatering Canadian recipe classics. The celebrities are: EDITH BUTLER, DINAH CHRISTIE, JACKSON DAVIES, CHANTEL DEVINE, ANDY DONATO, JOE GHIZ, BARBARA HAMILTON, HARVEY KIRK, MARGARET LANGRICH, CATHERINE MCKINNON, JOCELYN MUIR, SHELLEY PETERSON, GORDON PINSENT and WHIPPER WATSON. They are doing their bit... how about you?

For \$9.95 it would make an ideal Christmas gift. Call Doreen Sharpe: (705) 653-4066.

FROM THE CELEBRITY CLASSICS COOKBOOK

Appetizer Cheese squares
1-1/2 cups cheese flavoured cracker crumbs
1/4 cup butter (melted)
1 pkg. (250 g) cream cheese, softened
2 eggs
1 tbsp. flour
2/3 cup undiluted Carnation Evaporated milk
1 tsp. lemon juice
1/2 tsp. worcestershire sauce

6 drops hot pepper sauce
1/2 cup green onions
1/4 cup chopped pimento
Combine cracker crumbs and butter. Press onto bottom of 9-inch square baking pan. Bake in 350 degree oven for 5 minutes. Place cream cheese, eggs, flour, evaporated milk, lemon juice, Worcestershire and hot pepper sauces in a blender. Cover and blend until smooth. Sprinkle onions and pimento over crust. Carefully pour cream cheese mixture over all. Bake in 350 degree oven for 25-30 minutes or until knife inserted near the centre comes out clean. Cool slightly, cut into bite-size squares. Serve warm or chilled. Makes one pan.

Creamy Swiss Mocha Mix
1 cup Carnation Instant Skim Milk Powder
1/3 cup Carnation Coffee-Mate coffee whitener
1/4 cup instant coffee granules
1/4 cup sugar
2 tbsp. unsweetened cocoa powder
boiling water
Combine skim milk powder, coffee whitener, coffee granules, sugar and cocoa. For one serving add 3/4 cup boiling water to 3 to 4 tbsp. of Creamy Swiss Mocha Mix. For five servings add 4 cups boiling water to all the mix. The mix can be stored in a sealed container and used anytime. Makes 2 cups of mix.

Apology to Elizabeth

When Elizabeth phoned me last week to inquire about the pickled beets that I put in the column a few weeks ago, I didn't try the recipe, because at the time, I had already finished a batch of beets to do down for pickle and I didn't have any more beets left, when I received the recipe. The recipe called for 1-6 quart basket of beets, 1 and 1/2 cups of cider vinegar, 1 cup of brown sugar, 1/2 cup water, whole cloves. What Elizabeth phoned about was she had jars of beets and only enough syrup for 2 jars. I should have suggested that no matter what the recipe calls for, I would double or even triple the vinegar, water and brown or white sugar. It's better to have more than not enough. You can always store it in a jar until you need it for other kinds of veggies. You could also try dropping boiled eggs in it for pickled eggs. Sorry Elizabeth, I goofed, but I'm glad you brought it to my attention.

Chow! See you next week.

WORKING HARD FOR YOU!

Joan Calnan,
Accounting
Warkworth Branch

Ten years have passed since I joined the team at G & B Allen Insurance Brokers Ltd. as bookkeeper. Born and raised in Toronto I moved to the Warkworth and district area in 1963.

Do you need an up-to-date statement or do you have an inquiry regarding your account that needs explanation? Please call me at 705-924-2632 for assistance or drop into the Warkworth Office. I look forward to

meeting with you. The team at G & B Allen Insurance Brokers Ltd. take great pride in serving you, thank you for your trust.

Help us celebrate 85 years of continuous, uninterrupted service. Stop by for a visit and let me tell you about the products and services we offer.

The Rural Scene

by
Ken Yarrow

Abandoned railroads have again surfaced in a new local area; this time it is the CPR east-west line from Tweed to Springbrook.

Farmers and adjacent property owners are, again, going to oppose it being left open.

Several events have taken place to cause these people to take this position - theft of firewood, damage to fences, gates driven into (deliberately) by four-wheel drive vehicles, plus stock harassment, etc.

It seems that where there is an unpaved roadway, some few people simply cannot behave themselves. As well, the right-of-way dissects their property and creates a lot of extra fencing expense.

It seems unfortunate that those law-abiding citizens who might be able to work out some sort of solution must suffer as well.

On August 21, a monster craft show was held in the curling arena in Stirling. As can be seen in the picture, it was an excellent display and was well attended. The crafts, displayed here only serve to back up, once again, my pride in Canadians and their abilities.

While this was going on, the fireman had their Sunday afternoon taken up with a rip-roaring grass fire in the field, next to the arena. Fortunately, it was contained and did not get into the fairground buildings.

Once again, a vote of thanks to the fire department, volunteers who lose their day off in order to protect us and our property.

For a confidential interview call Joe Cembal at 613-472-2431.

Hubble reunion

About 200 Hubbles gathered at the Lions Park in Campbellford on Sunday, Aug. 14. Those gathered were descendants of United Empire Loyalist Nehemiah Hubble who came to Hubble Hill east of Campbellford in 1794.

Captain Don Miller led the hymn sing at 11 a.m. Dr. Russ Waller gave "The Teenage Diary of UEL", a dramatic presentation of the difficulties families had as they left USA. Paul Zurba was the master of ceremonies.

The oldest Hubble present was 86-year-old Lillian Burgis;

the youngest person, Tiffany Sullivan; largest family, 27 in Edith Gerow's family of Havelock; the most-recently married couple, Edward and Sandy Hubbell; birthday closest to the picnic, Stephen Davis; person coming the greatest distance, Greg Gerow of Manatawach, Ontario; four-generation families included the Gilberts of Cobourg and the Gerows of Havelock; nearest

anniversary, Neil and Deni Hubble; prize for lucky chairs, Don Rust, Lis McAdams and Anna Cosgrove.

In a lucky draw, prizes were won by Betty Spooner of Havelock, Anne Jones of Little Britain, Al Wrightly and Betty Brown.

Miss Hubble

Heather Sirette, 13, of Ajax, was crowned Miss Hubble after she told her interests and her genealogy, beginning with Nehemiah Hubble. Her genealogy included William, Susann, Alice Dean, Kora Anne Jones, Beverly Surette and Heather.

Jamie Dawn Hubble of Frankford won the first prize given for a genealogical chart for a child twelve years old. In her chart were these Hubble names: Nehemiah, Elyah, Peter, Sylvanis, Frank, Russell, grandfather Glen, father, Don and her name, Jamie.

Teddy Bear's Picnic

At lunch time, Karen Radnor paraded about 20 three-to-five year olds to the music of Teddy Bear's Picnic.

The young children had a picnic of their own. The Hubble Bubble Clowns of Ajax did their traditional activities.

With many participants, the Hubble Hobbies auction was convened by Clara and Norm Tompkins of Lindsay. Paul Zurba was auctioneer.

86-Year-Old Contributions

Last year at the picnic, Lillian Burgis heard of the Hubble's Contributions in Connecticut, USA.

At 86, she told of her visit to White Hills Baptist Church, built in 1831. It was a church similar in size to the Anglican Church in Campbellford and built by Lucius Hubble.

In the nearby cemetery, Mrs. Burgis noted that no one was buried there after 1900. Pillars at the front of the church had a diameter of four feet. There was a 60-foot cairn with all the Hubbles' names on it.

Teacher-Pupil of 1935 Meet

Eighty-seven-year-old Ruby O'Neil Skinkle who taught in Warkworth in the 1920's and 1930's, met Raymond Richardson for the first time since 1935.

When Raymond heard her name Ruby Skinkle, he didn't even think of Ruby O'Neil, his excellent math teacher as he never supposed he would see

her again.

Double-Hubbles

It would be interesting to know how many Double Hubbles there are.

When Tom Tanner and Glenda Allen were married in 1969, they were unaware that they both descended from the same United Empire Loyalist.

Since Glenda descended from Polly, who married John Babcock, her family lost the Hubble name by 1800. It wasn't until about 1982 that the Skinkle family of whom Glenda is part, traced their roots back to the Hubble heritage.

All Hubble clan will be welcome at the 1989 Hubble Historical Society Biennial Meeting, July 12-15, at the Holiday Inn in Kingston. The reunion will be held on July 18, at McIntyre Park, adjacent to Lang Century Village.

The hosting committee is Myrtle Morgan, Pat Hubble, Terry Moore and Zora Fisher.

One number is not enough

by Tom Mitchell

In 1967, Canada's centennial year, the national unemployment rate reported by Statistics Canada was just under four per cent of the work force. Twenty years later, it stood at almost nine per cent. At a glance, this certainly looks like progress in the wrong direction.

But some profound changes have been taking place both in our labor force and the kind of work that it does over those same 20 years. We have to look at some other figures to get a clearer picture of just what has been happening.

The potential labor force in 1967 - the total population 15 years of age and up - was 13.4 million. Out of that total, about 7.7-million actually were in the labor force, working or actively looking for work. In the language of the statisticians, that gave us a "participation rate" (percentage of the population of working age actually in the labor force) of just over 55 per cent.

By 1987, the population 15 and over totalled 19.8 million. Just over 13 million were actually in the labor force, a participation rate topping 60 per cent. Not only was our total population growing during those two decades, but more and more of us were moving into the labor market.

Women led the way. In 1967,

only about 35 per cent of women were in the labor force. By 1987, this had climbed to almost 51 per cent.

At the same time, the labor market itself was changing. Employment in the service sector was growing at a much faster rate than employment in the goods-producing industries. By 1987, more than 70 per cent of all jobs were in service. In the service sector alone, employment grew by more than one million from 1981 to 1987.

Services provide more scope for part-time work than the goods-producing sector of the economy. So the number of part-time jobs grew at a faster pace than full-time jobs through much of the last decade. But by 1987, that gap was narrowing. Compared to 1986, the number of full-time jobs in 1987 increased 3.1 per cent while there was an increase of less than one per cent in part-time jobs.

There were still almost half a million people in 1987 with part-time jobs who really wanted to work full-time. But the number of people working part-time because that was the kind of work they preferred climbed by more than three per cent from 1986 to 1987. More than 1.8 million Canadians were employed on a part-time basis.

MEMORIALS

ELLIS - In loving memory of my parents, also grandparents and great grandparents. Lila Ellis, who passed away September 3, 1982, and Charlie, who passed away December 7, 1972. Those we love we never lose. For always they will be. Loved, remembered and treasured.

With sweet precious memories.
Always loved and sadly missed by Bernice, Ariene, Fred, Darren and Shelley.

MARTIN, Leonard (Jack) - In loving memory of a dear brother-in-law who passed away September 4th, 1980. We mention your name And speak of you often. God bless your dear brother-in-law. You are not forgotten. Ever remembered by Tools.

NICKLE - In loving memory of a dear brother, Glen Nickle, who passed away Sept. 9, 1986. Loving and kind in all his ways. Upright and just to the end of his days. Sincere and kind in heart and mind. What a beautiful memory he left behind. Sadly missed and fondly remembered by Doug & Irene.

SOLMES, Forbes - In loving memory of our dear ones, who've gone to rest. Lorne, Sept. 6, 1978, son-in-law Bob, Sept. 23, 1978, and grandson, Faron, Aug. 19, 1982.

We little knew when we woke that morn, The sorrow the day would bring. The call was sudden, the shock severe, To part with ones we loved so dear. Sometimes it's hard to understand Why some things have to be, In His wisdom God has planned Beyond our power to see. Mom, Nan and family.

WORK WANTED

MOTHER of one wishing to babysit in my home, approximately 3 miles west of Norwood. References. Call anytime 705-639-2409

M.S friends

Cont'd from page 1.

Kathy was a 25-year-old nurse with a husband and two babies when she was diagnosed with MS. She considers herself fortunate to have been relatively symptom-free while she was raising her family, but she is quite severely disabled now.

The doctors did not know what to do to halt the progress of the disease - they still don't. There is not yet any effective treatment for MS.

Kathy remains hopeful, however. And her water colors are a testament to her courage.

Sheila MacDonald's demanding career as a pediatric nurse had to give way to a much less strenuous one as a clerk in a government office. It's a less active job but it allowed Sheila, a single mother, to continue to support two teenage children.

Sheila is a regular participant in MS support group meetings in Sydney, Nova Scotia, where she lives. "I try to encourage people with MS to get on with their lives," says Sheila. "There's no cure for

MS yet, and no effective treatment, but there is hope."

The MS Society provides almost \$2.6 million research in 1987. This year's goal is even higher. "I hope people will give generously. We need to find the key to MS."

Don Butler had to give up his job as an elementary physics education teacher when, at 23, he was diagnosed as having MS. The symptoms overtook him quickly - within five years he had to use a wheelchair to get around.

"When I quit teaching, I really missed the contact with the kids and my colleagues that's why I started volunteering."

Don now tutors junior school and elementary students at his home in St. Catharines. He also coaches ladies' fastball team and writes a column for the local newspaper.

Researchers don't know what causes multiple sclerosis. Neither does Don but he's just sitting around waiting to find out.

Use It or Lose It

GOOD SEATING NOT A PROBLEM

The bus and the bus driver, Walter Ruggles, were at Madoc's four corners 7:15 Monday morning, but nobody else who wanted to ride the bus was. The pilot run for our new bus service, operational on a

trial basis until Friday, September 30th by Franklin's Coach Lines Ltd. of Belleville, resulted in the ridership count equaling one - a Loyalist who boarded in Tweed. The bus service and its route wasn't

even advertised in Tweed.

In order to attract the needed ridership if the bus service is to not die a quick death, Franklin's is moving its departure time forward to 6:30 a.m. on Wednesday the

14th from Madoc's four corners. Kramp's Restaurant at 6:35 a.m. Hwy. 62 and Crookston Road at 6:45 a.m. Bank of Commerce, Tweed at 7 a.m. Bridge and Pinnacle, Belleville 7:30 a.m. Loyalist

College 7:45 a.m.

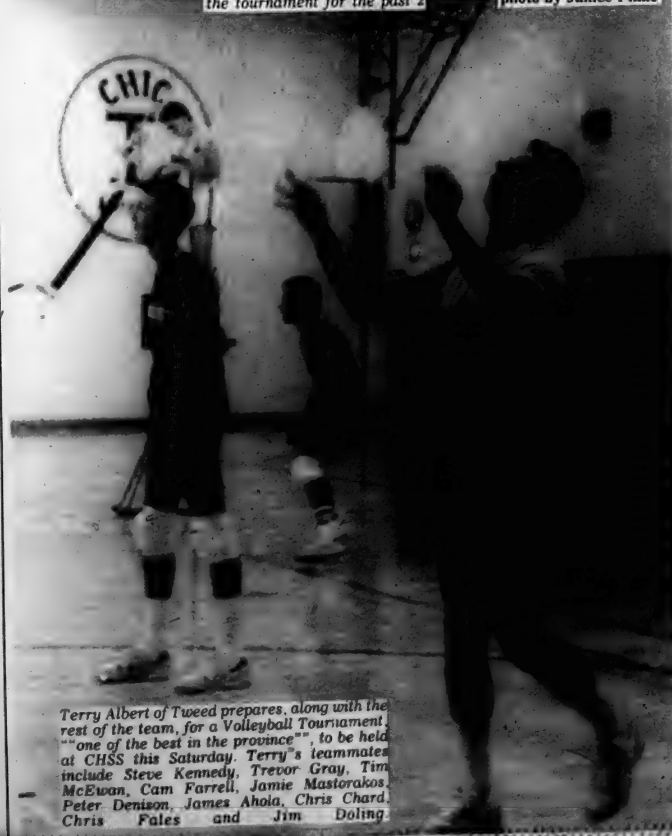

Still undecided is the buses history for the following week (Sept. 22 - 26) UNLESS, what else, ridership increases drastically. For further information contact Franklin's at 966-7000.

CHSS hosts tournament

This coming Saturday, CHSS will host the 2nd Annual McDonald's Invitational Senior Boys Volleyball Tournament beginning at 9 a.m. in all gyms. Competing will be 12 teams from as far as Toronto and Ottawa, including Madoc's Oldtimer's. Spectators are invited to attend this tournament which is reputed as being one of the best in the province. The McDonald's franchise in Belleville has been sponsoring the tournament for the past 2

years, furnishing prizes for the first and second place finishers. Carman Donato, coach of the Centurion Senior Boys Volleyball Team, when speaking about this years team, representing the high school, says "that this is one of the better teams in the last 10 years. Madoc's Centurions also leave for Dalhousie University, Halifax, October 4th, to compete in a High School Volleyball Tournament."

photo by Janice Pinke

Terry Albert of Tweed prepares, along with the rest of the team, for a Volleyball Tournament, "one of the best in the province", to be held at CHSS this Saturday. Terry's teammates include Steve Kennedy, Trevor Gray, Tim McEwan, Cam Farrell, Jamie Matorakos, Peter Denison, James Ahola, Chris Chard, Chris Fales and Jim Doling.

Night School

Registration for night school courses being offered at CHSS this year will be held September 20th and 22nd beginning at 7 p.m., with the first classes commencing Monday, September 26th according to Dave Hobson, supervisor for the Loyalist Branch of continuing education at CHSS.

There are approximately 20 courses available, but in order for a course to be instituted there must be a minimum of 10 registrants. Nearly all the courses are 30 hours in total. A price increase this year means that it will cost registrants \$1.50 per instructional hour as opposed to last years \$1.25.

Seniors can register for a course at the rate of \$5, which covers the total 30 hour period. Dave Hobson, also a teacher at CHSS, says that there are usually 150 students who register for the night school and usually 15 courses are operational.

COURSES OFFERED

Aerobics, car care, ceramics, computers, floral arranging, folk art, french, german, photography, paper tolle, pottery, quilting, sewing, small engines, spanish, stained glass, upholstery, welding.

\$1000 if the cow plops in your spot

Madoc - Wouldn't you like to win \$1000? Of course, everybody would. You could get a chance to do just that by participating in a game of 'Bossy Bingo' this year at the Madoc Fair.

The Madoc and District Figure Skating Club is selling tickets at \$10 each for the game in an effort to raise funds to meet their ever-increasing expense.

'Bossy Bingo' works on the sale of tickets, numbered one to 250. The winner is determined on location at the fair grounds on Sunday, Sept. 25, at 2 p.m.

In a fenced-in area, marked off in 250 numbered squares, a cow is allowed to walk freely about until such time as drops a plop. This decides the winner.

water color and wood carving. For further information contact CHSS at 473-4251.

From Stirling

Hay slaying results in murder charge

A three-month investigation by members of the Ontario Provincial Police, with the assistance of Durham Regional Police, into the death of 80-year-old Rawdon Township resident, Clarence Hay, has resulted in the arrest of an Oshawa man.

Gordon R. Morton, 36, of 965 Simcoe St. North, Oshawa, Ontario, was arrested and charged with first degree murder on Monday, Sept. 12, 1988.

Morton, who has been remanded into custody will appear in court in Belleville, Ont., on Thursday, Sept. 15.

Det. Insp. Tom Smith, Criminal Invest. Branch Kingston, and Prov. Const. Bill Baker of Madoc Detachment OPP have been leading the investigation into Hay's murder since the discovery of his body June 28, 1988.

The game will be conducted under the careful scrutiny of two adult judges, not affiliated with the skating club. If the plop is clearly on one square only, the holder of that ticket wins \$1000 cash. However, if it lands on a line between two squares, or on a corner touching on three of four squares, it will be the judges who decide the percentage of the split on the \$1000. The rules and a master sheet of the ticket numbers will be displayed at the fair.

Meanwhile, everyone has a lot of fun and the skating club gains some financial assistance. So, when you are approached, support this worthy cause and you could take home \$1000 cash from the Madoc Fair, this year.

Letters to the Editor NHL biggie writes local peace park

Dear Janice Pinke:

The peace park has received a letter from Alan Eagleson, last year's winner of the Man of the Year Peace Award for his contribution to International Sports as expressing his views on the departure of Wayne Gretzky.

"I would have preferred that Wayne Gretzky stay in Canada since he is the world's best hockey player."

"From a business point of view, the Edmonton owner made a good deal. From a financial and family point of view it was also good for Wayne."

"If Wayne had wanted to stay in Edmonton I am sure it could have been accomplished. It appears to have been a decision that was made after both parties discussed it." Signed, R. Alan Eagleson

Roy Cadwell, Chairman.
Lester B. Pearson Peace Park.

Back to school means back to work for Madoc resident, Mrs. Yearwood, who recently received a plaque, from the Village, in commemoration of her 10 years' service (as of April 21, 1983) as crossing guard on Madoc's busy main street at the intersection of Dufferin and Elgin Streets.

Introducing...

Margaret Stein of Madoc Township was crowned Fair Queen last Thursday, taking over the title previously held by Toni McEathron. Aileen Pigden, this year's organizer of the competition told the Madoc Review that next

year the new Queen's responsibilities will include acting as a PR representative representing Madoc at various area fairs such as Tweed, Marmora and Stirling.

by Janice Pinke

Fashion show at Queen comp

225 people attended this year's Madoc Fair Queen competition and fashion show held last Thursday evening at the Madoc Township Recreation Hall. Aileen Pigden, coordinator of the competition says "it gets better every year".

Margaret Stein, 18, was crowned Fair Queen for the '88, '89 season. Margaret, who began classes at Loyalist College last week, is hoping to pursue a career aiding the handicapped. During this school year, through Loyalist College, she will be working at Plainfield's Home for the Handicapped.

Fashion show

Cont'd from page 2
ings Fashion Show, in which clothes were featured from such merchants as Today's Girl, Angelo's, Stedman's and Stickwood's, was a bride and groom ensemble, fashioned by their owner's, Steve and Sandra Hope, who recently became husband and wife.

Comedy was intergrated into the Fashion Show by Lone Tannahill of Angelo's of Madoc, who appeared modelling their large sizes available at this store.

SPONSORS

Those area merchants donating door prizes were Ace's Pizza, Toronto Dominion Bank, Angelo's, Madoc's IGA, Pigden Radio & TV, Ivanhoe Cheese, Johnson's Pharmacy and Stedman's \$5 to \$1 store.

Our new queen was presented with gifts donated by Betty LaPalm, this area's representative for Avon and Pigden Motors.

Eldorado Cheese donated two

cheese baskets which were presented to the evenings commentator, Karen Bailey and to Mr. and Mrs. Gordon Holmes of R.R.3, Madoc, who recently celebrated their 45th wedding anniversary.

If there's a quality that best character-
izes the woman for whom traditional is the
fashion of choice, it's probably confidence.

Wait to her as season after season you
after you, she unabashedly selects the
classic patterns, the best fabrics. She
mixes, never missing the acknowledgment
the car, rent fashion is never slaps her.

For the fall of 1988 Skyr offers her a col-
lection of inspired classics in gowns and
kirts. The patterns are traditional. The
interpretations fresh.

CENTURION HIGHLIGHTS

by
Tristan Haynes

This week the Madoc Review welcomes Tristan Haynes, a grade 12 student at CHSS, as our reporter for the Centurion Highlights, a weekly column outlining current happenings at the high school. Tristan lives in Tweed and is looking forward to a career as a journalist upon completion of University. Tristan was selected from a group of students who responded to the Review's request for an ambitious reporter and it looks like we got one. Thanks Tristan.

This September 7th, Centre Hastings Secondary School (CHSS) welcomed 197 grade nine students and 57 transfer students to its ranks. This puts our school population up to 910, give or take 10 students.

Well, it's back to the books. On the subject of books, this year's book deposit fee was raised \$5 because of the cost of new books. The good news for students taking OAC courses, is they no longer have to buy their books. Instead, they deposited a \$50 book fee (a savings of up to \$250).

Even though we've just been back a week, there's lots happening around school. Football practices started Tuesday afternoon. Hopefully, both teams will do a repeat performance of last year's senior team.

Other sports happenings are: boys' volleyball and soccer, and girls' basketball. They started practices Wednesday after school. Good luck to all of our athletic teams.

This Wednesday coming, new student council members are to be elected for IHC (Inter House Council). This year, Mr. Berry stepped down from IHC. Mrs. Bontar will be taking his place. It will be a difficult task, but I'm sure that she'll do fine. I guess that I'm the new kid on the block now. I've got big shoes to fill, but I'm going to do my best (and use Kleenex to fill the toes).

If there are any rumours or questions you have that you think I could help you with, you could drop me a note in care of the newspaper.

Watch for Madoc Twp. P.S. news in next weeks edition of the Madoc Review.

\$150,000 heist in Campbellford

Campbellford Wholesale was broken into on the long weekend and goods valued at about \$150,000 were taken.

"It was definitely a professional job," said investigating officer Gene Dewey, they disconnected the alarm, opened the door and took cigarettes and

watches. They put the goods in one of Campbellford Wholesale's trucks and drove off." Officer Dewey believes the robbery took place on Friday night of the long weekend, so the thieves had a good chance at getting away, since the robbery was not discovered until Tuesday morning.

The monument you choose now can still be installed by winter ... but please see us soon.

Kaladar OPP Report

During the period, September 2-8, 1988, a total of 35 general occurrences were reported and six motor vehicle collisions were investigated.

The general occurrences included 12-hour driving suspensions, liquor violations, impaired driving, lost property and minor driving complaints.

On September 2, 1988, PC D.J. Dewolfe investigated a break, enter and theft at the Kaladar, Anglessea, Effingham Municipal Office in Clinton. Culprit(s) entered the building through a basement window and, once inside, did extensive damage to the doors of the interior. Stolen was a quantity of Canadian funds. This occurrence is still under investigation.

On September 3, 1988, PC D.J. Dewolfe investigated a break, enter and theft at the Liquor Control Board store in Denbigh. Culprits entered the store through the rear and, once inside, broke the safe open and removed all the money. Investigation is continuing in this case.

On September 6, 1988, a report of the theft of a car stereo was received from the Vennacher area. Marilyn J. Rogers of Pembroke advised that sometime on September 6, 1988, the stereo set was removed from her car. The stolen article is a Realistic AM/FM cassette unit, valued at \$350. PC L. Heidinga is investigating the theft.

On September 6, 1988, PC

D.J. Blasko investigated a report of a break-in at a cottage in Denbigh Township, owned by T.E. Jackson of New Dundee. Approximately \$500 of property was stolen. Investigation is continuing.

Anyone that can offer any information on the above occurrences, please contact this Detachment and all information will be treated strictly confidential.

Traffic:
Of the six motor vehicle collisions that were reported, three were minor non-reportable collisions.

On September 3, 1988, at 3:20 p.m., a three-car accident occurred on Highway 41, near the Mazinaw Heights North Road in Abinger Township. A.L. Lloyd of Flinton was attempting to turn into a private driveway. A second vehicle, driven by L. Torok of Toronto, was following Lloyd and stopped while she turned and a third vehicle, driven by J. Ratnam of Greenfield, Quebec, was unable to stop and ran into the back of the Torok vehicle.

The Torok and Ratnam vehicles received minor damage. There were no injuries received to the occupants of the vehicles. PC D.L. Mackinlay investigated the collision.

On September 5, 1988, PC D.L. Mackinlay investigated a two-car collision on Highway 7 at the junction of Highway 41 in Kaladar. Ronald Demorest of Trenton stopped at the yield sign to allow a car to pass. Stephen A. Allen of Cobourg struck the rear of the Demorest vehicle and caused minor damage to both vehicles.

On September 6, 1988, at 4:30 p.m., a single-car collision occurred on the Sheldrake Lake Road. Stephen K. Spriggs of North York was eastbound when he met a second vehicle and pulled to the right. Spriggs lost control in the loose sand and went into the north ditch. Damage to the vehicle was moderate and no injuries occurred to the driver or passengers. PC D.L. Mackinlay investigated the collision.

Hunters:
Hunting season will soon be open and we would like to remind all hunters to ensure that someone is aware of your location of hunting and your approximate return.

Carry survival equipment and if you become lost, try not to panic and stay in one place. This will assist in locating the hunter sooner.

APPREHENSION IN LETTING GO

It happens when they go to school for the first time. It happens when they leave home. It happens when they get married. It happens to be hard to let go of children.

Yet, if our children are going to be responsible adults, we must learn to let go.

If we as Christians are going to live responsibly before God, we must let go.

You may ask, "What do I need to let go?" I would reply, "Anything that may be an idol to you. Let go of anything that stands between you and God. If

it keeps you from God, is an idol."

We may not think of practitioners of idolatry as being called an idolater, but we may be just that. So people clutch and grasp commodities, instead of

Perhaps, the following might guide you in letting your idols.

Anger - Love Wedding

Bethesda United Church, White Lake, was the setting for the July 9, 1988 wedding of Lorie Lynn Love and Benjamin Anger of Fort Erie. Rev. Annette Rheinhardt officiated. Lorie Lynn is the only daughter of David and Donna Love, Madoc. Benjamin Anger is the son of the late Mr. and Mrs. Walter Anger of Fort Erie.

The bride entered the church on the arm of her father in an ivory crepe ankle length dress with long sleeves and stand up collar. The front and waist were accented with appliques of sequins and pearls. Her veil was attached to a small pointed headpiece in ivory trimmed with pearls to match her gown. To complete her ensemble she wore a necklace of pearls of her great grandmothers. Lorie's flowers were a cascade of pink gladioli and roses with aqua blossoms and baby breath.

Carol Carr of Tweed was matron of honour for her niece in a 3/4 length full skirted pink dress of silk and lace with large puffy sleeves, open back and large bow to accent the waist.

Bridesmaids Charlene Johansen, Cordova and Chris-

sy Holmes Tweed, they wore identical dresses to the matron of honour in turquoise. They carried fans of pink roses and aqua blossoms.

Jessica Love, niece of the bride and Lynn Anger daughter of the groom were flower girls in short pink lace dresses, styled with long waist and short sleeves. Each girl wore a headband of flowers and carried baskets of pink gladioli and roses mixed with aqua blossoms and baby

breath. Jeffrey Fleming, cousin of the bride acted as ring bearer. Best man was Jerry Ruch of Fort Erie, friend of the groom. Ushers were Randy Love, Oshawa, and Darryl Love, Madoc, brothers of the bride. Jerry Ruch was Master of Ceremonies for the reception held at Madoc Township Hall. The happy couple enjoyed a honeymoon to the Pocono's in Pennsylvania.

intensity, so much so that when he thought he was about to die he had his sons bring him outside and lay him on his beloved earth. As he was about to expire, he reached down by his side and clutched some earth into his hands. He died a happy man.

He now appeared before heaven's gates. God came out to greet him. "Welcome," he said. "Please, come into the joys of heaven." But as the old man started to enter the pearly gates, God said, "Please you must let the soil go." "Never!" said the old man stepping

back. "Never!" And so God departed sadly, leaving the old man outside the gates. A few eons went by. God came out again, this time as an old friend. After a little while of telling old stories, God said, "All right, now it's time to enter heaven, friend. Let's go." And they started for the pearly gates. And once more God requested that the old man let go of his soil and once more he refused.

More eons rolled by. God came out once more, this time as the old man's delightful and playful granddaughter. "Oh, granddaddy," he said, "you're so wonderful and we all miss you. Please come inside with me." The old man nodded and she helped him up for by this

time he had grown indeed very old and arthritic. In fact, so arthritic was he that he had to prop up the right hand holding Crete's soil with his left hand. They moved toward the pearly gates and at this point his strength gave out. His gnarled fingers would no longer stay clenched in a fist with the result that the soil sifted out between them until his hand was empty. He then entered heaven. The first thing he saw was his beloved island.

Once we let go, to God, God gives back to us more than we could ever hope.

Cloyne resident wins Canadian Scholarship

Ottawa - Bill Vankoughnet, M.P., on behalf of the Government of Canada, is proud to congratulate four students from Hastings-Frontenac-Lennox and Addington on being selected as winners of the new Canada Scholarships Program.

This federal program is part of a five-year, \$1.3 billion effort for science and technology development and will provide up to \$8,000.00 over four years to students pursuing degrees in science, engineering, and related disciplines.

"These scholarships are an investment in the future prosperity of the community and help to fill the pressing need for highly-qualified personnel in industry, universities and government," said Mr. Vankoughnet.

Awards were presented to the following recipients: Miss Kerry-Lynn Hoffman, Amherstview, Ontario. Mr. Donald Fairbanks, Bath, Ontario. Miss Denise Miedema, Cloyne, Ontario, and Mr. Gerald Warner, Yarker, Ontario.

"I am pleased to congratulate the recipients from the federal riding of Hastings-Frontenac and Lennox and Addington and wish them continued success in their future endeavours," said Mr. Vankoughnet.

Back to school!

Photo by William Freeman

Swinging trio: David Ivey (grade 2), Karrie Anne Hie (grade 2) and Sean Hickman (grade 2) took to the swings during a midtime break at Norwood Public School. While youngsters are always sure that they want to go back to school in September, playground is a powerful reminder that all is not work.

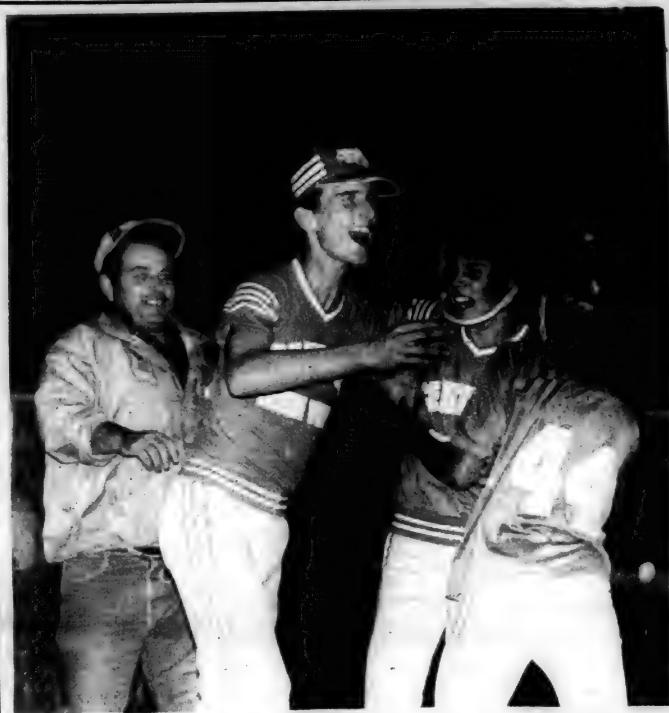

Photo by William Freeman

Celebrating victory: The Norwood Century Home Vidoe Pee Wees are one victory away from the Kawartha Pee Wee Softball League title thanks to a Bobby Wilford (centre with

helmet) home run in the bottom of the seventh inning during last Friday's game against Lakefield. The homer gave Norwood an 18-16 win and a 1-0 lead in the best-of-three final.

Agri-Food Week: October 3-10

Peterborough - Agri-Food Week has been celebrated as a project of the Ontario Ministry of Agriculture and Food, the Ontario Federation of Agriculture and Farm Product Commodity Boards since 1982. It is celebrated the week before Thanksgiving (October 3-10, 1988).

The purpose of Agri-Food Week is to increase the level of awareness and understanding among consumers of the importance of Ontario's Agriculture and Food Industry. For instance, did you know:

- At the turn of the century, each Ontario farmer produced enough food to feed 12 people. Today, the Ontario farmer produces 10 times that amount

on 15 million acres of farmland.

- There are approximately 73,000 farms in Ontario employing over 150,000 people.

- Over \$2 billion worth of food and agricultural products are marketed abroad each year with the United States being

Cont'd on page 8

Peterborough NDP hold fundraiser

Peterborough - The Peterborough Federal New Democratic Party riding association held a dinner Monday evening to celebrate candidate Gill Sandeman's campaign to become the riding's member of Parliament.

Charles Shames, owner of the Parkhill Cafe, and his staff hosted the affair donating the

food and their time to the \$40 per person money-raising dinner.

The 54 tickets available for the celebration went quickly. Joan Lee, co-chair of the Sandeman fund-raising committee.

"Guests were from the three major political parties with no political affiliation," she

said.

The guests think Gill would make an excellent MP for Peterborough and a key associate of federal NDP leader Ed Broadbent, Lee added.

Other friends of Sandeman donated art work and other items and services which were later auctioned off.

Norwood Seniors begin fall program

The Norwood Seniors Friendship Club kicked off their fall program with a potluck supper and a welcome by their president Mrs. Claudine Pulfer.

She opened the meeting by reading a poem - *Road of Life*.

It was time to renew memberships for 1988-89 and if you are a person over the age of 55 you may contact Mary Fife, the club's membership convener, and she will provide you with the necessary information. Mary also made two readings - *Profile of a Senior* and *A Grandmother*.

The nominating committee is looking for a 1st Vice President for the seniors club.

The club accepted the invitations from the Apsley ABC Club to be their noon guests on September 20 and to attend the official open house of the Stevenson Place apartments on September 17 from 9:30 am until 4 pm with the ribbon cutting at 3 pm followed by a wine and cheese at 4 pm.

Mrs. Pulfer also announced a card party in the Pine Street

Centre on Wednesday, September 14 at 8 pm. There will be good prizes and lunch; the proceeds will go towards equipment for the building fund.

Many of the seniors are already booked for the Diner's Club on Tuesday, September 13 at the Westwood Town Hall; Fitness classes on Tuesday mornings from 9:30 am until 10:30 am and Craft Classes every Monday morning at 9:30 am.

The club decided to enter a display at the Norwood Fair on the theme - *100 Years in Agriculture*. The conveners will be Claudine Pulfer and Mary Fife.

Suggestions for bus trips include: Lanark Kitten Mills; Carlton Show Band and St. James Players. A reminder that daytime classes at the high school, one on Bridge (9:15 am - 10:15 am) and another on Microwave cooking (10:24 am - 11:30 am), have begun. They are repeated again on Wednesday, September 21.

In 1984 when Linda Crabtree started looking for other sufferers of CMT (Charcot-Marie Tooth syndrome where nerves and muscles in the hands and feet begin to atrophy), she certainly never expected to head an organization of grateful people in over 15 countries. However, as word spread and patients and specialists requested more and more information about the disease, some sort of organized response became necessary. The result was the Charcot-Marie Tooth/Peroneal Muscular Atrophy International Association Inc. Since that is such a mouthful, it is generally referred to as CMT (the initials of the three doctors who first described the disease over 100 years ago.)

Now there is a CMT newsletter published every two months and an introductory newsletter in the works.

Brochures are sent out by the thousands. Experts in diagnosing and treating patients are linking up to co-ordinate research and to register commonalities in an attempt to better understand CMT.

At the second Biennial Convention held at the Harbour Castle Hotel in Toronto, many of those specialists actually held clinics. Working late each evening they scheduled more than 300 appointments for convention participants. The doctors who volunteered their time and expertise included Dr. Robert Clark of Columbus, Ohio, an orthopedic surgeon who does a great deal of work on CMT feet and ankles. He was also pleased to be back in Toronto where he had spent two years of training at the Hospital For Sick Children.

Dr. James Nappi, also of

More Able Than Disabled

by Barbara Pealow

CMT second international convention

Columbus, Ohio, is a noted plastic surgeon who specializes in micro surgery and hands in particular. Dr. Charles Chan, who recently moved his research from Yale to the U. of T., is a cardio-pulmonary specialist working on CMT breathing problems. Dr. Paul Hardy came to the convention from Liverpool, England, where he is an anesthesiologist interested in CMT pain. These doctors also gave major presentations during the weekend to the entire convention.

There was truly an international representation at the convention. While waiting for an appointment, local area residents Cherrie and her son James Gilliland and her son Sidney Township, chatted with a family from Texas. A girl from the Yukon and a lady with her son all the way from New Zealand had travelled to Toronto just for the convention. A couple from PEI sat with them for dinner one evening, and on a boat tour they met other CMTers from New York, Oshawa, Ottawa and Florida.

Gail and Che Fornusek from New Zealand travelled to visit the Gilliland's for a brief visit before returning home.

The convention itself offered 12 great speakers, whose speeches were taped and will be available from CMT Int'l for those who were not able to attend. A fashion show was put on by Comfort Clothing of Kingston, which featured many CMTers as models, which met with considerable interest.

Even more delight was expressed by the CMTers trying on various footwear. Carolyn Clawson helped dozens walk better with Clawson Rucker footwear and Bio-Ped of Toronto shuttled people from their hotel display to their stores for individual fittings and moldings of inserts. There was a lot of talk about new lightweight footwear. People felt that they were seeing and getting better items than were ever before available.

The convention offered social and sightseeing activities. Nearly everyone went on the evening boat tour of the Toronto Harbour area. Steve Gulick, a mime from Pennsylvania, and a CMTer himself, performed on the boat trip and at the final banquet. Many out-of-towners took a sidetrip to Niagara Falls on the free afternoon, where many friends

ships were renewed and new ones formed.

Once again, a well organized, very helpful convention had been appreciated by those afflicted with CMT. The next one will be held in 1990 in Columbus, Ohio. CMTers are waiting eagerly to see what new developments will be awaiting that date.

CMT TO BENEFIT FROM SIDNEY ROTARIANS

The newly formed Rotary Club of Sidney Township has decided to support another group just getting on its feet. CMT is a neuromuscular disease that causes degeneration of nerves which supply the feet, forearms, legs and hands. The muscles in these areas fall causing gradual problems with walking, lifting, holding etc.

Four years ago, the first effort at keeping those affected abreast of news on treatments and methods of coping with their problems was organized by Linda Crabtree of St. Catharines, Ontario. She was so successful that to-day there are 2000 CMT patients registered to receive her newsletter, and 1000 doctors, clinics and libraries using it for reference.

Recently, Don Gilliland addressed the Sidney Rotary Club on the history of this chronic disease. Over 100 years ago, it was described by three neurologists whose names are still associated with it. They were Dr. Charcot and Marie in France, and Dr. Tooth in England. Yet only five years ago libraries contained no material on this disease. Most patients were misdiagnosed, usually told they had arthritis, or worse, muscular dystrophy that would be extremely debilitating.

Now, with the CMT newsletter, patients can read articles

on foot care, helping aids, exercise, nutrition, coping techniques and simply what CMT actually is and how it is inherited. There are profiles of CMTers and research updates. About half of the articles are written by doctors. It is a very informative newsletter, now published every two months.

The Sidney Rotarians have decided to sponsor the cost of printing and distributing one issue of 3000 copies this year. That is a big commitment for a fledgling group. CMTers certainly hope that their club will flourish, and that their generosity will continue.

Thank you Cherrie! It is interesting what happened at the CMT convention. It is good for others to know that they're not alone. For further information write to Linda Crabtree: CMT INTERNATIONAL, 34 Bayview Drive, St. Catharines, Ontario L2N 4Y6.

P.S. Cherrie is a CMTer. Hints from the CMT newsletter:

Tina Sauers of Pittsburgh PA writes: CMT women who can wear regular shoes but have trouble keeping them on, try contacting a dance studio supply shop. All their shoes are well constructed, have a low stable heel, and have straps to hold them on for dancing. They come in all sizes, styles and colours and aren't all that expensive. They usually carry a great variety of low heel or flat shoes as well.

Here's a real winner for you cookie monsters! Mrs. Vi Bince sent in this recipe for chewy chocolate chip cookies.

CHEWY CHOCOLATE CHIP COOKIES

1 cup margarine
1 cup brown sugar
1 cup white sugar
1 tsp baking soda mixed with 2 tsp hot water
1 3/4 cups Minute Oatmeal
1 3/4 cups flour
pinch salt
1 cup choc. chips or more to your liking
Mix first 5 ingredients together and add to dry mixture. Drop by tsp. on cookie sheet. Bake at 325 for about 15 minutes or when golden brown. Makes 3-6 doz. cookies. YUM YUM GOOD!

Chow! See you next week.

WORKING HARD FOR YOU!

Vince Crowley
Personal Lines
Marketing Representative

As a lifetime resident of Peterborough I joined G & B Allen in May of this year as a Personal Lines Representative (Home & Auto Insurance), bringing with me several years of experience in the insurance business.

I am married to Gloria, a Registered Nurse at St. Joseph's Hospital and have 3 children, Matthew, Ryan and Katie. I look forward to serving the clientele of G & B Allen Insurance Limited.

For friendly, professional advice on your home or auto coverage I would welcome the opportunity to be of service.

Help us celebrate 85 years of continuous, uninterrupted service. Stop by for a visit and let me tell you about the products and services we offer.

Peterborough Civic is designated base hospital

Peterborough, September 1... Peterborough Civic Hospital has been designated as the base hospital to co-ordinate emergency health services for the counties of Haliburton, Northumberland, Peterborough and Victoria, Municipal Affairs Minister, John Eakins, M.P.P. for Victoria Haliburton announced today on behalf of Health Minister Elinor Caplan. "A base hospital," Mrs. Caplan said, "is designated by the ministry to give medical direction and leadership, and to co-ordinate pre-hospital emergency health services for a specific geographical area."

Eight ambulance services in the four counties will be linked to this new hospital program: Beaverton/Fenlon Falls, Bobcaygeon, Campbellford Memorial Hospital, Cobourg and District, Minden and Haliburton, Lindsay and District, Peterborough District and Rutherford's ambulance services.

The Haliburton and Kawartha and Pine Ridge Health Council, as well as all area

hospitals and ambulance services have supported the designation of Peterborough Civic as the base hospital.

The hospital will receive an additional \$17,329.00 from the ministry this year to enable it to fulfil its role as the base hospital. In this role, it will assist in the prompt transportation of ambulance patients to the most appropriate hospital, provide medical direction to ambulance personnel when required, review ambulance charts, gather information on community needs in regard to emergency health services and include officers in its educational activities.

"Peterborough Civic is well suited to function as the base hospital," said Mr. Eakins. "Medical, nursing and administrative staff have a proven capacity for co-ordinating emergency health care for the Peterborough area. This new program will ensure optimum use of the region's emergency health care resources, further improving the high standards of care."

THE SCIENCE CORNER

Plague epidemic

by Nigel Bunce and Jim Hunt
College of Physical Science
University of Guelph

The May issue of National Geographic magazine carries an article that explains the flea's involvement in the transmission of the plague. The plagues or Black Death of the 14th century killed 25-million people in Europe.

In many areas, a quarter or even a third of the population died. The resulting depopulation of Europe was a major factor in ending feudalism. There were simply not enough people to work the land under the old feudal system, and the shortage of labor allowed the serfs to bargain with their landlords for wages for the first time.

Plague sufferers developed a fever and painful swellings called buboes in the groin or armpit, hence the term bubonic plague. In pneumonic plague, the lungs were affected. In both cases, death resulted within a few days.

The truly horrifying thing about the plagues of the Middle Ages was that nobody knew what caused the disease. There was no cure and no escape. Rich and poor, young and old were affected alike. Many saw the plague as a manifestation of God's wrath.

Today, the newspapers are full of reports about the spread of AIDS, a disease that also causes great public fear. Estimates have been made that many thousands may die of it, yet so far, few people have died of AIDS, and we know both the causative agent and the main methods of transmission of the disease, making it possible to avoid or reduce exposure.

Contrast this with the plagues. You could not avoid exposure because the scale of the disease was altogether different. Imagine how afraid you would be if one-third of your neighbors were wiped out.

Only within the last century, as the method of transmission of plague began to be understood, the disease is caused by a bacterium, a bacillus that can be combated with modern drugs if the disease is recognized in time.

The bacillus quite commonly infects rodents, and in the Middle Ages, rats on sailing ships were the usual means of transmission of the disease from one port to another. Rats harbor fleas, the fleas pick up the bacillus from contaminated rat blood, and then

transmit the disease from rat to rat, or from rat to human.

In the Middle Ages, rich and poor lived in conditions that were filthy by today's standards. Rats and fleas were both common. People washed infrequently, and were often infested with fleas. Once in a community, plague was readily carried from person to person by the fleas. When plague victims' clothing or bedding were passed on, the fleas and the plague went with them.

Although plague is seldom heard of today, it does exist. In many parts of the world, wild rodents and their fleas carry the disease and cases are reported every year.

In North America, Arizona and New Mexico are particularly plague-prone. The danger to a Canadian would be that if the plague was contracted on holiday and the illness became apparent on returning home, doctors would probably not think of testing for the disease.

At the turn of the century an epidemic in China was spread by rats on ships. Faster ships meant that the disease could be spread further and more efficiently than in the Middle Ages. And plague is still just as fatal as it was 600 years ago.

Finally, as pointed out in the National Geographic, the familiar nursery rhyme:

Ring around the roses
Pockets full of posies
Achoo, achoo,

We all fall down

dates from the great plagues. Roses are the pink rash associated with plague; posies were carried so that their perfume would counteract the vapors believed to transmit the disease. Sneezing was brought on by the fever, whereupon the victims all fell down...dead.

We welcome questions and ideas for future columns. Write to the authors, c/o the Dean's Office, College of Physical Science, University of Guelph, Guelph, Ont. N1G 2W1.

Human ecology meeting

The Human Ecology Foundation will hold their next meeting on Wednesday, Sept. 14, 1988, 7:30 p.m., at Loyalist College.

The topic will be Candida, with discussion and a showing of the tape, "The Yeast Connection", from a TV Ontario Speaking Out Program, with Dr. William Crook, author of a book by the same name.

For further information on environmental hypersensitivity, contact: Lesley Forrester 968-8888 (Belleville, evenings); Rob and Mavis Rowland, 395-2374 (Stirling); June Graham, 705-924-2426 (Warkworth); or Bill McMaster, 478-6057 (Tweed).

MOIRA RIVER

**CONSERVATION AUTHORITY
REFORESTATION PROGRAM**

The M.R.C.A. is now accepting applications for tree planting for the spring of 1989.

If you own a minimum of 2 ha. (5 acres) of land in the Moira River Watershed, then you may qualify for the Reforestation program.

The Authority will order, deliver and plant trees on private land (approximately 800 trees per acre) up to 10 acres per year.

Cost: 12.5 cents per tree

Applications available from:

Moira River Conservation Authority
Box 598
Belleville, Ontario
K8N 5B3
(613) 968-3434

Applications must be received by October 15, 1988.

For more information please contact Paul McCoy at (613) 968-3434.

Agri-food Week:

October 3-10

Cont'd from page 1
the province's biggest customer.

Nearly 200 million dozen eggs are produced each year in Ontario.

In an average year, Ontario produces about 40% of Canada's fruits and vegetables, a

greater population than any other province.

Beginning Monday, Oct. 3, and continuing until Thursday, Oct. 6, the Peterborough Agriculture Community will be presenting an information booth and display at Lansdowne Place Mall.

The display will outline the diversity of our local agricultural community while providing interesting facts about agriculture in general. Recipes, brochures, games and videos will entertain and inform visitors and everyone is encouraged to enter the draw for four grocery packages made up of locally grown produce and products.

Gypsy Moth control program

Applications are now ready and available for Northumberland County's 1989 Gypsy Moth Program. These can be picked up from Municipal offices, from the Lower Trent Region Conservation Authority or from the Ganaraska Region Conservation Authority. All applications must be returned by November 18, 1988 to be considered for the program. Applications will also be made available at a series of upcoming public meetings planned for October.

The cost to landowners wishing to have their property sprayed through this program is \$5.00 per acre. This is unchanged from last year. Payment must accompany the

application. This year, if landowners can make a deposit on their spray, the balance of which will be paid by Feb. 28/89.

The area infected by Gypsy Moth has increased considerably over the past years. Anyone who owns property containing hardwood trees, especially oaks, should inspect their property for masses. The egg masses are small, chamois coloured and often found on the side of trees. These patches are covered with fine hair and contain up to 1000 eggs. According to the MNR, there must be approx. 5000 eggs per acre to justify the spray program.

DATES TO REMEMBER

Wednesday, September 14 - there will be a card party at the Street Centre beginning at 8 pm. Proceeds from the evening go towards the equipment and building fund.

Thursday, September 15 - is the first of two hockey registration days for Norwood Minor Sports Inc. On Thursday, registration will be from 6 pm until 8 pm at the Norwood Legion. The registration will be **September 17** from 9:00 am until 11:30 am.

Thursday, September 15 - is the second of three hockey registration days at the arena for Hastings Minor Sports. Take place from 7 pm until 9 pm. There will be a registration day **September 25** from 1 pm until 3 pm.

Friday, September 16 - the Roseneath Fair officially begins its annual **Queen of the Fair** competition at the Alnwick Centre.

Saturday, September 17 - the day many people have waited for finally arrives - the annual **Norwood Fair Queen** gala at the Centennial Sports Complex. Everyone is invited to the making which begins at 8:15 pm, but don't arrive late because the doors will be closed at 8:15. Tickets for the dance follow at 9 pm are \$6 each. Lunch will be served.

Saturday, September 18 - the Stevenson Place Apartments have their official grand opening. The apartments will be open for viewing beginning at 9:30 am with the ribbon-cutting scheduled for 3 pm. A wine and cheese reception will follow.

Sunday, September 18 - is the 8th annual **Terry Fox Run** which this area, begins at the Havelock Legion. The Legion will be open from 8 am until 4 pm with an official ceremony scheduled for 10 am.

Wednesday, September 21 - the Norwood and District Skating Club will hold its annual registration in the bar room at the Norwood Town Hall. Youngsters can register from 6:00 until 8:30 pm.

Wednesday, September 21 - a bus will be leaving Norwood for the International Ploughing Match in Stratford. For information contact Gordon Stevenson at 639-5627.

Friday, September 23 - is the deadline for Norwood Fair which is, amazingly, less than four weeks away.

Saturday, September 24 - is the annual ham and turkey supper at the Norwood United Church.

Saturday, September 24 - is the "old" Norwood High reunion being held largely at the "new" high school. Registration at Norwood and District High School begins at 7 pm. Hamblin's film show is at 7:30 pm; official greeting acknowledgements are scheduled for 8:15 pm; a second showing is at 9:30 pm and lunch will also be served from 9 until 11 pm. The Town Hall will be open from 2 pm until 4 pm for early visitors and the Legion is open for visits until 3 pm.

ADVANCED AGRICULTURAL LEADERSHIP PROGRAM
Are you interested in developing your leadership skills to serve the agricultural community? Organizers of the Advanced Agricultural Leadership Program are looking for men and women with leadership potential and a commitment to agriculture.

This is a two-year program for individuals in the early stages of a leadership career, who are approximately 25 to 40 years old. The program consists of nine three-day seminars, a two-week North American travel seminar and an international study travel experience.

An information meeting will be held at the Holiday Inn in Peterborough, 150 George St. North, on Wednesday, Oct.

12th, from 8-10 p.m.

For more information, contact Bernard Leahy at the Brighton Agricultural Office, 475-1630.

QUINTE 4-H CHAMPIONSHIP SHOW

ONTARIO
AGRICULTURE
A WORLD LEADER

The Northumberland County entries were small in numbers, but high in quality.

The summer yearling entry of Kevin Haig of Campbellford was Grand Champion Holstein Calf.

Close on his heels was the Junior Yearling entry of Doug Carr, Castleton, in the Reserve Grand Champion position.

In the Showmanship ring, Scott Honey, Warkworth, placed first in the Intermedi-

ate Class, while Shelley Hoskin, Grafton, was second.

In the Junior Showmanship Class, Chris Hoskin, Grafton, was second, while Michael Kerr, Campbellford, placed fifth.

Top Senior Showmen were Wayne McComb, Castleton, and Doug Carr placing third and fourth respectively.

Grand Champion Dairy Showman and Grand Champion Showman Overall was Angela Brown of Lennox and Addington, with Reserve going to Tom McNeely of Prince Edward County. Tom had previously been the Champion Beef Showman.

In the Junior Heifer class, Wayne McComb was second, while in the Senior Heifer Class, Scott Honey was third, and Shelly Hoskin fifth.

In the colored Dairy Breeds class, Michael Kerr placed second.

Congratulations to all members for participating and providing a fine showing for Northumberland County!

Northumberland Fishing Quest '88

August 31/88. The Budweiser Northumberland Fishing Quest '88 kicked off to-day with an early bird draw for the winner of an all expense paid trip to Magog Quebec.

This one of a kind fishing event has really thrown seasoned fishermen for a loop. Most derbies cover one kind of fish in one location. But the Northumberland Quest covers a whole county with the waters

of Lake Ontario, Rice Lake and the Trent River, including everything in between.

Prizes will be awarded to many of the major fish species found in those waters including, salmon, trout, walleye and bass.

This means that the Quest appeals to almost every type of fisherman from the expert with the downrigged salmon boat to the kid on the dock.

The entry fee of only \$10.00

Migratory game bird Regulations

Ottawa - New regulations governing the 1988 migratory game bird hunting seasons, bag and possession limits are now in place for all provinces and territories across Canada.

Drought conditions this year have had a pronounced effect on the numbers of Prairie breeding ducks, especially the pintail, canvasback and mallard, with the most severe declines in the Prairie regions of Canada and the United States.

Declines in mallards and

pintails have been especially acute for southeastern Alberta, south of Red Deer, and southwestern Saskatchewan south of Saskatoon.

This year, in Manitoba, Saskatchewan and Alberta, the daily bag limits have been reduced to protect declining populations of these and other species. As the precise effect of the drought is still unknown, hunters are also asked to reduce the number of ducks taken. In Ontario and Quebec, low bag and possession limits are still in effect for black ducks to protect that species.

Also in Ontario, as part of an international effort to protect the canvasback, the daily bag limit for canvasbacks and its lookalike, the redhead, have been reduced from two birds to one.

The regulations are established by Environment Canada's Canadian Wildlife Service, the agency responsible for the management of migratory birds in Canada, in close consultation with provincial authorities.

The United States will also be taking steps to reduce duck hunting, and is expected to announce new regulations soon. At the annual waterfowl status meeting in Denver, Colorado, July 25, the United States Fish and Wildlife Service issued a harvest management strategy calling for "a short, simple hunting season targeted at significantly reducing the kill to protect the resource base."

Migratory game bird hunting permits are now on sale at post offices across Canada. The \$10 fee includes a \$6.50 habitat conservation stamp, already affixed to the permit. Last year, more than 341,000 migratory bird hunting permits were sold.

The habitat conservation stamp, designed by renowned Canadian artist, Robert Bateman, features a pair of male pintail ducks in breeding plumage.

age. Collectors can purchase the stamp from post office philatelic outlets and through Canada Post's mail order service.

Revenue from stamp sales goes to Wildlife Habitat Canada, an independent non-profit organization, established to help preserve wetlands and other wildlife habitats.

In order to help the Canadian Wildlife Service gather survey data needed for the management of migratory game bird

populations, hunters are asked to keep accurate records of the migratory birds they use, using the form attached to each hunting permit.

This information will be requested from a random sample of hunters after the season ends as part of the 1988 harvest survey. Data obtained will help determine the total annual harvest and the status of the duck and goose populations in Canada.

An additional sample of

hunters will be asked to provide wings of ducks and woodcock or tail fans of geese to assist in identifying the species composition of the kill.

Hunters selected for this survey are asked to save these parts until they receive special envelopes.

Anyone finding leg bands or other markers on birds is asked to report this information to the Canadian Wildlife Service, Environment Canada, Ottawa; Canada KIA 0H3.

International Literacy Day

Co-operative effort among all sectors including business, industry, education, labour, government and community groups, is the key to helping adults in Ontario to become literate. Skills Development Minister Alvin Curling said recently.

Mr. Curling, in marking the 23rd anniversary of International Literacy Day, September 8, said that illiteracy is a problem shared not only with other Canadians, but with other countries as well.

Mr. Curling also announced that the publication of the Ontario Literacy Directory, a 500-page volume which lists every organization offering literacy programs in the province. He said that all those involved in adult literacy training can use the material to determine what programs are available and where.

"I know that the public is aware of illiteracy as both a social and economic issue. The Canadian Business Task Force on Literacy estimated that the direct cost of illiteracy to Canadian business was as high as \$4 billion annually," Mr. Curling said.

The Skills Development Ministry has committed \$40 million each year to various

adult literacy programs including Ontario Basic Skills, Ontario Basic Skills in the Workplace, the pre-employment preparation program under FUTURES and the Ontario Community Literacy grants program. Another \$10 million annually is spent through other Ontario government ministries.

"A recent survey conducted in Southam indicated that one in five adults in the province is functionally illiterate in an age where more and more workers have to deal with complex instructions to simply keep up with technological changes."

Mr. Curling said that illiteracy can be eradicated, "but have to work together. The numbers we face are just great for any one group, agency, or even government ministry to tackle successfully its own."

International Literacy Day was declared by the United Nations to commemorate the World Congress of World Educators for Eradication of Illiteracy meeting held in 1965. The day is considered a celebration of the positive efforts being made by learners, tutors and others involved in the literacy movement.

Turtles

by Nigel Bunce and Jim Hunt
College of Physical Science
University of Guelph

One of the most ancient forms of life on earth today is the turtle. These creatures have changed little while other life around them has altered considerably.

More than 200 million years ago, turtles were turtles, almost as we know them today. Among vertebrates, turtles

come in the widest variety of sizes and have the longest span.

The largest of all living turtles is the leatherback turtle, which can weigh up to 450 kilograms and grow to a length of 1.5 metres. The Galapagos tortoise of the Galapagos Islands that fascinated Darwin are only slightly smaller.

In all, there are more than 200 living species of turtles in spite of their ancient dependency on earth, many are endangered species because of human activities.

All turtles have a shell consisting of a top and bottom plate connected by a bridge. The backbone of the turtle is fused to the top plate and ribs to the bottom, with all vital organs between.

Turtles are divided into classes according to how they withdraw their head into their shell. Most bend their neck in an S-shaped curve in the neck and thus retract the head. Mud and snapping turtles of this type, as are the leatherback and Galapagos. A sea turtle group, all aquatic, retract their neck sideways and the head in between the shell.

For many ages, humans considered the turtle to be some and synonymous with filth: the word "tortoise" means "a resident of Tartarus". As a result, the turtle was neither pursued nor cultivated for food, although the shell was used for medicinal, aphrodisiac and decorative purposes.

In the 17th century, the edibility of the giant sea turtle was exploited by mariners and whalers. The turtles were stored on their backs on the ship and would remain alive for a year without feeding, providing fresh meat for voyages. From this, the meat developed into the century delicacy that was known as the sea turtle.

Turtle soup was made from the green cartilage that the shell of the green turtle was so esteemed that 17th century turtles were imported to London each year.

By the early 1800s, mock turtle soup had been invented - it was made from calf's head. This is why the Tennial illustration of Mock Turtle in Lewis Carroll's Alice's Adventures in Wonderland, is a calf enclosed in a turtle shell.

One of the great unsolved mysteries of sea turtles is how they manage to swim thousands of miles, at sea, and return to the same tiny beach.

For ever is a long time

by Marion Strebeg - For the Federation of Ontario Naturalists

No matter how far we travel nor how remote the area we cannot escape from man-made litter. On a recent trip down a northern Ontario river much used by hunters, fishermen and canoeists, although we encountered people only once, we found reminders of them all along the route. There were paper, beer bottles, pop cans and plastic. Supermarket bags floated gently in the wash from the rapids, and green garbage bags poked up obscenely from the moss and fragrant sweet fern.

Since plastics are light, strong and durable, they have almost unlimited uses. Unfortunately, once they have served their purpose they will be around as long as the Pyramids. The failure of plastics to break down in the environment has made the problem of disposal a nightmare. But the amount of plastic litter everywhere is also an indication that many people refuse to take responsibility for their own garbage. Since ever present litter on beaches, and in woods and parks is a deterrent to everyone's enjoyment, the majority of Canadians would like to do something about it.

What can we do? We can make sure that our own garbage is not left about as litter. But that does nothing to solve the problem of all our plastic garbage which will long outlast us. Given its versatility it is unlikely that the use of plastics will decline. In the U.S. for instance, the 2 litre plastic soft drink container represents 22% of the volume of soft drinks sold. Also plastics share of U.S. municipal waste has nearly doubled in the past 10 years. As Canadian patterns of consumption are close to those of the U.S. it is safe to assume we have a similar problem.

A Canadian group has provided one solution for eliminating this growing mountain of eternal waste. They have produced a substance they call Ecolyte, which can be added to any plastic mix and breaks down under the ultra violet rays of the sun. The plastic degrades slowly into carbon dioxide and water. This

is not an instant process any more than any other form of decay, but the material does break down into natural components. Ecolyte has no effect on the performance of the plastic.

Often new technology is too expensive to be attractive to businesses. In this case, the manufacturer, Eco Corporation, estimates that Ecolyte would add 5% to the overall cost of the plastic, a small price to pay for freedom from

beaches strewn with plastic cups and packages.

Ecolyte appears to be an elegant solution to a tacky problem. Where can one buy plastic which contains Ecolyte? The answer is that in Ontario you can't. Although Safeway stores in the west are using grocery bags which are degradable, no one in Ontario is interested. So far neither the provincial government nor large chains which produce potential litter have commit-

ted themselves to introducing the product.

If you would like to use grocery bags, food packages and cups which will not outlast you, write to Premier David Peterson, Room 281, Legislative Building, Queen's Park, Toronto, M7A 1A1. You should also write to Hon. James Bradley, Minister of the Environment, 15th Floor, 135 St. Clair Ave. West, Toronto, M4V 1P5 and ask when residents of Ontario will be able to obtain

this product. Send copies to your M.P.P. and to your local supermarket and fast food stores, and any other places which produce large amounts of potential litter. With all the furor about recycling, this is one product which has the potential to reduce offensive litter dramatically and also the volume of garbage. Ontario needs to move quickly to catch up with more progressive areas in Canada.

Turtles

Cont'd from page 12

where they were hatched to reproduce. There, the female turtle digs a nest and lays 50 to 200 leathery eggs and covers them. She may do this up to 10 times, separated by intervals of about two weeks.

In about two months, the eggs hatch and the turtles begin a frenzied march down the sand to the sea. During this march, predators - usually sea birds - take a terrible toll, and only a small fraction of the hatchlings make it to the water to begin the process over again. How they know in what direction the sea lies is also a mystery.

Between natural predators and humans, the turtle, after 200 million years of survival, is now seriously threatened, and many of the large species are on the verge of extinction. Only measures of strict conservation will save these interesting creatures for our descendants.

SEE YOU AT THE FAIR

Last year over 6000 people attended the Madoc Agricultural Fair and this year according to the Fair's president, Clare Downey, an attendance equaling or surpassing this is not unrealistic if the weather holds true.

FAIR OPENS

The Fair opens this Friday evening with the Heavy and Light Drawing Matches, along with the candy floss, midway games and rides.

OPENING CEREMONIES

A live band provides the entertainment for the opening ceremonies scheduled for 2 p.m. which honours our Fair Queen and special guests.

LUMBERJACK COMPETITION

Scheduled to begin at 1:30 p.m. Sunday, this is the first the competition has been integrated into Madoc's Fair. According to the events coordinator, John Hastings, the only party (locally) interested in competing in this year's competition is from Marmora

but there has been no formal commitment, however there will be professional lumberjacks from across Ontario to keep everyone's interest peaked. The competition consists of cutting through large logs, several times, the fastest time clocked, wins. Men with muscles is what we need, call John Hastings at 473-4927.

DEMOLITION DERBY

Last year there were 50 entrants for the derby which starts at 7 p.m. SHARP Saturday evening, and according to President Downey, again we should equal or bypass last years total.

ROAST BEEF DINNER

Enjoy a roast beef dinner along with dessert and coffee for \$6 on Saturday between 4 and 7 p.m. The dinner is sponsored by Big Brothers and Big Sisters of Centre Hastings.

60 SECONDS OF FREE SHOPPING

Also hosted by the Big Brothers/Sisters organization

is a draw for 60 seconds of free shopping sponsored by local IGA's and Tweed's Valu-Mart. Tickets will be on sale at their booth at the Fair or can be

purchased in Madoc at their offices over the Health Unit or here at the Madoc Review. The draw will be held Saturday evening in the bandstand.

CALLING ALL PHOTOGRAPHERS

A photography contest is again being run at this years Fair. Judging in the four categories of landscape, a day at the fair, wildlife and composition will identify Madoc's photographers. Photographs must be 8 x 10's, and all exhibits must be in place by 10 a.m. Friday. An exhibitor may display up to 4 photographs in any of the categories. Contact John Hastings at 473-4927.

MARTIAL ARTS

You might be able to catch some brick/wood-breaking-with-the-bare-hands stuff on Saturday or Sunday afternoons, brought to you by the Centre Hastings Martial Arts club. The kind of stuff you only see on television.

BABY FACED

The baby show begins at 1 p.m. Sunday in the Arena.

DOG FACED

Beginning at 2 p.m. is the Mut

Trials and Pony Draw.

BOSSY BINGO

Also for it's first year is game that names you the winner when the cow plops in your spot. 250 tickets are available at \$10 a piece with the winner receiving \$1000 cash. The same game was a first at this year's Tweed Fair and according to it's co-ordinators it was an hour before the cow finally did it's business, thus, recognizing the winner. The 'bingo' is being sponsored by the Madoc and District Figure Skating Club. The cow will turned out into the numbered field Sunday afternoon at 2 p.m. Tickets are available by contacting the club or at their booth at the Fair.

All events not listed here are presented in this years Fair book which was distributed as a supplement to the Madoc Review on July 13th.

See you at the Fair!!!

Barn burns killing all livestock

On September 13th Francis and Lois Thompson of R.R.2 Roslin lost their barn and all their livestock to a fire.

A benefit dance, sponsored by the Moira Community, is being held at the Stirling Curling Club, Saturday, October 8th beginning at 8 p.m.

Donations will be accepted as donations and the evenings entertainment will be supplied by the Haggarty's.

All proceeds will go to Francis and Lois Thompson or donations may be sent to Francis and Lois Thompson, c/o Ted Pollock, R.R.2, Stirling K0K 3E0 or Owen Ketcheson, R.R.2, Roslin, K0K 2Y0.

CHSS's Centurions grab second place

At the same time Holand was defeating France in the Volleyball division of the 1988 Olympics in Seoul, our Centurion Senior Boys Volleyball team was on their way to their second place finish in the 2nd Annual McDonald's Invitational Senior Boys Volleyball Tournament held Saturday at CHSS. Teams from across Ontario competed in the tournament which is touted as being one of the

best in the province. Colonel By of Ottawa were the first place finishers. Congratulations to all the guys who should amiable ambition throughout the tournament. The Centurions are now readying themselves for a Volleyball Tournament in Halifax on October 6th. Go Centurions Go!

Letters to the Editor

Thank-you Madoc

During the month of June, Madoc residents were introduced to a tangible method by which to help in the fight against A.L.S. (Amyotrophic Lateral Sclerosis, often referred to as Lou Gehrig's disease).

Several businesses in Madoc graciously accepted coin cans for public donations. These monies, along with generous contributions from the Eastern Star and the Legion, the ALS Quinte Chapter was able to forward \$354.26 to Toronto headquarters for research to discover the cause and hopefully the cure for this terminal disease.

On behalf of the Quinte Chapter of the ALS Society of Ontario I sincerely thank the many Madoc friends for their contributions to our 1988 drive for funds.

In closing I remind the Madoc and area citizens of the monthly meeting of the Quinte ALS Support Group held at 7:00 p.m. on the 3rd Monday in Tabernacle United Church in Belleville. All interested persons are welcome to attend.

With deepest appreciation,

Sincerely,

Gwen Brain.

Baker corrects Whig-Standard News Story Inaccuracies

Regarding the story in the Whig-Standard, Thursday, Sept. 1, 1988, headlined "Baker makes 9th attempt for seat in House", various inaccuracies, that I would hope were not intentional, in the reporting of the story gives a false impression to the Electorate, and I would like the opportunity of correcting.

1. Regarding the point I made that services must be available in order to attract economic growth, I did not say such services are needed "especially in the rural parts of the riding". That implies I am only interested in rural areas. This is simply not true and I was misquoted.

2. Regarding the point where Bell Canada has failed to service a group of 35 dwellings 450 yards from the last telephone, the story stated that I had personally "who has waged an 18 year battle against Bell Canada to have telephones installed in Baker's Valley" is misquoted and is not true because I have only been involved for 1 1/2 years while the people involved were suffering from lack of telephones for 19 years.

3. Regarding workers laid off at Alcan, "7000 workers who were laid off at the Alcan plant in Kingston" was misquoted. I said 700 workers were laid off.

4. Regarding Political Party help for those 700 workers laid off at Alcan, reference was made that Federal Conservative Cabinet Minister, as a matter of expression, "Flora McDonald whined & cried" at Kingston and then said nothing in Parliament while her Conservative government supported the move by giving Federal government money to Pickering Industrial Park where the jobs were re-established.

This was accurate but failed to continue, in context, the point that the Liberal Cabinet Minister at Queen's Park, Ken Keyes MPP did likewise and did not influence his Provincial Liberal government not to give money to Pickering Industrial Park where the jobs were re-established.

Finally, why? as I said, would the NDP say anything in support of the Alcan workers laid off at Kingston because the jobs recreated were at Pickering Industrial Park, NDP leader Ed Broadbent's own Industrial Area.

This incident shows how all three political parties did not fight for the 700 lost jobs at Alcan.

This quoted story appeared as if I attack Conservatives only, when, in fact, I attacked all three political parties without prejudice and with only good intentions.

5. Regarding "I commend Vankoughnet for defending the status of the fetus" is a false quote. I commend Vankoughnet for his belief that life begins at conception and I hope that he will now support legal status for the fetus.

Other than these five inaccuracies, the story was accurate.

Rees Baker B.A.
Independent Candidate
Fredericton, New Brunswick
Lemay & Associates

It looks as if Madoc's going to lose it. The bus to Belleville will run until September 30th anyway, but unless ridership increases dramatically, it will then cease to exist. Readership response to an article soliciting your input regarding the establishment of such a service back in May, had an estimated 70 people, within Madoc, respond to the article. Their notion, to utilize the bus service once

established. Where are you now? Once cancelled, Monte Smith from Franklin's Coach Lines Ltd., Belleville, says that Franklin's is looking at the possible extension of their bus service that, currently serves Tweed once a week, to Madoc, giving those who need it the opportunity of reaching Belleville. No definite plans will be made until the fate of our present bus service is decided.

Built in the early 1950's, the old Village water tower will soon be torn down. The new water tower at the east end of town was built in 1980 on higher ground in order to supply better water pressure to the Village.

Where are they now?

Your Choice Hairstyling has moved over to Russell street, along with Bob Smith Automotive Ltd., who recently moved from their old location across from Becker's on St. Lawrence W. Both moves are attributed to the sale of their former premises. Tracey, Shelley and Nancy (inset) of Your Choice, celebrated their grand opening last Thursday. Students are invited to drop in and take advantage of their back-to-school specials. Bob and Your Choice can now be found on the west side of Russell Street across from Barton's Motel.

Big Brothers & Sisters Car Rally Winners

The winners of last Saturday's car rally hosted by the Big Brothers and Big Sisters Centre Hastings were Marg Cooper and her passenger Amanda Downey. For their efforts they both received trophies donated by Don Hunter Ford of Madoc. In second place were Richard Cooper and his passenger Demond Breault and in third place was Big Brother John Wright and his Little Brother Danny Ruttan. The day was a success, except that everyone got lost on the Moira Road. All participants enjoyed a barbecue at Vandewater Park which is where the car rally finished. Congratulations to the winners.

Northern Communities want Chamber of Commerce

There will be an inaugural meeting held to organize a Chamber of Commerce for the communities of Northbrook, Cloyne, Kaladar, Harlowe and Flinton, on October 17, 1966, at the Lions Hall in Northbrook. If you live in one of the communities and you wish to have your communities recognized then in attendance. Show your care about the area you live in and let's help to promote through the Chamber of Commerce.

This new Chamber of Commerce will help to promote these northern communities, boost their economic growth and improve the social well-being of the communities.

This concerns each and everyone living in the villages. Everyone must come out to support this worthwhile organization.

Further information can be obtained from Jason H. Northbrook, 336-8435.

MAKE A MOVE! BE A BIG BROTHER. BE A BIG SISTER.

The sticker says it all and Marg Cooper, from the Centre Hastings Big Brothers and Big Sisters offices upstairs at the

Health Unit wants anybody who wishes to obtain one of these new stickers, to feel free and come into the offices and get one.

FORTHCOMING MARRIAGE

Donald & Virginia Kirkpatrick are pleased to announce the forthcoming marriage of their youngest daughter, Susan Ann to Lieutenant Patrick Brent, son of Mr. & Mrs. Almer Seufert of Salmon Arm, British Columbia. The marriage will take place October 8, 1966 at St. Thomas More, Catholic Church, Calgary, Alberta.

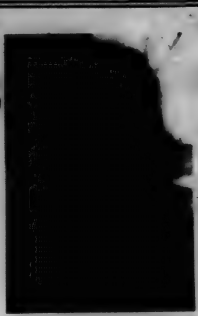

Legion Week - Tuesday evening Madoc's Legion 363 sponsored a Men's Bikini and Women's Best Legs contest. The Men's Bikini was cancelled due to lack of participants, but the winner of the Women's Best Legs contest was No. 1, Phoebe Delme.

CENTURION HIGHLIGHTS

by
Tristan Haynes

Hi! my second week on the job, and I'm still really excited. (I doubt if it will wear off soon, if ever). There's lots happening around, this our second week back.

The school's really happy to have Mr. Backus back as our vice-principal, after being away two years at Quinte (Where he held the same title). He really enjoyed working at Quinte, but is super happy to be back in his rural setting. (He is originally from this area.) His office is now separate from the others. The students seem to find this less intimidating.

This week saw the IHC (Inter House Council) elections. I'll have the results for next week. Class representatives were also chosen earlier this week.

Year Book Staff met Tuesday after school for the first time this year, to discuss plans for this year's great year-book.

This year's should capture some really special memories. It'll take a lot of hard work, and a lot of hours, but as they say a job well done, is a job worth doing, and this is the case with everything. Put a hundred percent in, get a hundred percent out.

Ok kids watch the birdie, and smile pretty. You got it; this Tuesday, September 20th, is picture day. Picture day is always fun. There is a traditional game played on this day called "Let's make Tommy look stupid!". The object of this game is to make your friends burst into laughter at the precise moment the camera clicks. There's always lots of great tonsil shots.

After lots of practise, our athletic teams are ready for competition. Wednesday September 14th both junior and Senior teams played Soccer against North Hastings Secondary School from Bancroft.

They were both good games. They helped our teams to recognise their strengths and weaknesses, and work with them for improvement for future games. Friday September 16th the junior and senior football teams have tournaments. The Senior boys play at Moira. The Juniors play Adam Scott in Peterborough. The Senior Boys Volleyball team has a tournament, Saturday Sept 17th.

The girls basketball teams play an away game Monday, September 18th. Good luck to all of the teams, I know they'll do us proud.

This week when you're getting your groceries from the Madoc, Tweed or Marmora IGA, be sure to pick up one of the C.H.S.S. monthly calendar of events, free. You'll find them at the main entrance, in a black painted box with a gold crest. The boxes were made by the trade shop. The calendar tells as the name suggests about events happening around C.H.S.S. If you have any Questions concerning the calendar, the school would appreciate a call at extension 11 or 21.

If you're around the high school Thursday, September 22nd, or you want some excitement, come and watch our football team, and cheer them on!

That's it for me this week, and like I said last week, if theres a rumour, or something you've been wondering about, drop me a note in care of the newspaper, and I'll try to answer it.

Madoc's Merry Mixers

Madoc's Square Dancing Club were out in Tweed last Wednesday evening showing off their stuff in hopes of attracting new membership. Classes begin in January at St. John's Anglican Parish Hall on Wednesday evenings from 8:10-10:30 p.m. Next week the club struts their stuff at the Dixie Lee in Madoc. If it's raining they will move it inside to the Parish Hall. Any interested couples wishing to learn how to dance the square should call Harry Ashton at 473-2379.

What's Happening

Wiser's Deluxe Series

The Quinte Arts Council and the J.P. Wiser Distillery Ltd. are proud to present the 1988-89 Wiser's Deluxe Series of the Performing Arts Season.

This season's performance schedule includes performances by the Kitchener-Waterloo Symphony, the stage production of "Einstein", the Toronto Operetta Theatre, the Toronto Dance Theatre and Marcel Marceau.

This year, a bonus concert has been added featuring the Ontario Youth Choir. The bonus concert performance will be held in Bridge Street United Church.

For subscription information, contact the Quinte Arts Council, 962-1232.

The Quinte Arts Council 1988 Annual Meeting will be on Wednesday, Sept. 14, at the Corby Reception Centre, Corbyville.

The meeting will begin at 8 p.m., preceded by a Social Hour starting at 7 p.m.

The guest speaker will be Mrs. Barbara Ivey, a member of the Board of Directors of the Ontario Arts Council.

Hospital Art Changeover

The Quinte Arts Council's Hospital Art Exhibition Changeover will be on Tuesday, Sept. 27, 1988. All submissions are to be taken to the Main Entrance of the Belleville General Hospital between 9:30 and 11 a.m.

For details contact the Quinte Arts Council office, 962-1232.

Rental Display

The on-going display of the art at the Bowes & Cocks Realty Office in Trenton features the work of area potter, Jane Palmer and painter, Florence Lennox.

The art is displayed in the Closing Room of the 191 Dundas Street East office. Browsers are welcomed during regular business hours.

For information contact the Quinte Arts Council office at 962-1232.

Music Box Series

The Quinte Arts Council's 1988-89 Music Box Series season features performances by: the Brussels Double-Bass Quartet, Triple Clef, pianist, Philip Thomson and the Great Lakes Brass Quintet.

All performances are to be held in the Albert College Chapel.

For details call the Quinte Arts Council office at 962-1232. Office hours are Monday to Friday, 11 a.m. to 3 p.m.

COUNTY OF HASTINGS

TENDER FOR HIRED EQUIPMENT FOR WINTER SANDING

Sealed tenders, on the forms supplied and marked as to content, will be received by the undersigned until 4:00 p.m. on WEDNESDAY, OCTOBER 5, 1988, for the hiring of equipment for winter sanding.

A Single Axle Truck with a minimum gross vehicle weight of 14,000 kg. will be required at each of the Marlbank and Marysville Yards.

A Tandem Axle Truck with a minimum gross vehicle weight of 19,000 kg. will be required at each of the Foxboro, White Lake and Madoc Yards.

A current P.C.V. Licence is required for all trucks.

Hired Loaders, capable of loading sand onto tandem trucks equipped with hopper sanders will be required at each of the following locations: Marysville, Marlbank, Stirling, Tweed, and Long's Quarry in Tyendinaga Township.

Bidders must use County tender forms. These forms, together with specifications, are available at the Office of the Purchasing Agent.

Lowest or any tender not necessarily accepted.

James R. Duffin, A.M.C.T.
Purchasing Agent
County of Hastings
County Administration Bldgs.

Tel. No. 966-1311

During the week of September 9-15, 1988, 21 general occurrences and two motor vehicle collisions were investigated by members of Kaladar Detachment.

General occurrences included liquor violations, driving complaints and violations of other Provincial Statutes.

On September 11, 1988, a report of wilful damage at the Kaladar, Anglesea and Effingham Township Recreation Centre was investigated by PC W. Deroos. Someone bent the flagpole over and stole the Canadian flag from the pole; damage to the pole was estimated at \$600.

On September 11, 1988, a break, enter and theft occurred at a trailer located on the Bridgewater Road in Kaladar Township. Someone entered the trailer, owned by Bryden E. Thibault and stole approximately \$20 worth of food. There was no damage to the trailer. PC W. Deroos is investigating the occurrence.

Both of these occurrences are under investigation and the assistance of the general public is requested. If anyone has information regarding the above two occurrences, they are asked to telephone Kaladar OPP Detachment at 336-2244. All information will be treated strictly confidential.

On September 13, 1988, PC G.B. Price investigated a

complaint of an assault in the Northbrook area. The assault was a domestic problem and as a result, one male person has been charged with Assault Causing Bodily Harm in relation to his wife.

On September 11, 1988, a two-car collision took place on the Sheldrake Lake Road in Anglesea Twp. and was investigated by PC G.B. Price. Harvey B. Tully of Gloucester was northbound in his Ford half ton truck when he met a southbound vehicle. Tully pulled over and stopped. James C. Dopfer of Harrison, Ont., was southbound in his Ford vehicle and slid into the side of Tully's vehicle. Damage to the vehicle was

moderate and there were injuries.

On September 13, 1988, Ernie Freeburn of Flinton was westbound on a Kaladar Twp. road in his 68 GMC half-ton truck. Jeff Brown of Belleville was turning onto the road from a private drive in his 1981 Mercedes Van and struck the left rear of Freeburn's truck. There was slight damage to the vehicles and no injuries. PC R.J. Wilson investigated the collision.

Motorists - Before the cold weather arrives, ensure your vehicle is properly equipped for snow and cold temperatures. A few minutes could save a long delay due to breakdowns.

The monument you choose now can still be installed by winter... but please see us soon.

Madoc

O.P.P

Report

Barn Fire:

A barn fire occurred at the Thompson farm in Moira, Ontario, at approximately 5:45 a.m. on September 13, 1988. The barn was totally destroyed by fire. Also lost as a result of the fire was a herd of approximately 40 cattle, as well as the milking machinery and the winter's supply of approximately 10,000 bales of hay and straw.

The Huntingdon Township Fire Department assisted, as did fire departments from Thurlow and Tweed.

Total estimated loss of approximately \$250,000.

Theft of Vehicle:

Madoc OPP have charged a young offender with theft of a motor vehicle. A 1976 Grand Prix was stolen from the residence of David Henry Morton, 11 C4 Hungerford Township, Thomasburg, on September 9, 1988. The vehicle was recovered in Metro Toronto on September 11, 1988.

Break, Enter & Theft:

Madoc OPP have a youthful offender charged with break, enter and theft, which occurred on September 8, 1988. The break-in occurred in Thomasburg. Police are not releasing the name of the victim or accused at this time in order to protect the identity of the young offender.

The young offender was apprehended in Metro Toronto and returned to the Quinte Detention Centre pending a court appearance on September 23, 1988.

Quinte Crime Stoppers

Thursday, June 9th, 1988, and stole a total of \$4400 worth of items. Taken at the time were a Sanyo microwave Model EM2520C, a 22" Electrohome color TV set Model 48CA42, Serial No. A484 204899; Proctor Silex coffee maker Model A600; Proctor Silex 4 slice toaster; a three quarter length muskrat fur coat; two other coats and a quantity of food.

Investigators are looking for an older (1974-78) large size GM product, four-door sedan, possibly dark brown or dark blue in color. The vehicle may possibly have damage to the right front corner as it struck a tree and also sustained a flattened tire in an attempt to get away.

Witnesses have told police that they had observed this car in the area with two males in it between noon hour and 2 p.m. on the day in question. The vehicle left the residence and was headed toward Tyendinaga Township. The exhaust

system may have been dragging at the time also.

If you have any information that will identify the persons responsible or the vehicle involved, contact Quinte Crime Stoppers today.

Crime Stoppers offers a Cash Reward up to \$1000 for information leading to an arrest in this crime or any other unsolved case. If you have any information, call Crime Stoppers at 969-8477 or 1-800-267-4357. Callers will not be required to reveal their identity nor testify in court.

Watch for a re-enactment of the "Crime of the Month" on Cable 4 TV, Belleville, at the following times: Mon. 8:30 p.m./ Tues. 7:30 p.m./ Wed. 8 p.m./ Thurs. 8 p.m./ and Sun. 5:30 p.m.

To make a tax deductible donation write to: Crime Stoppers Quinte Inc., P.O. Box 726, Belleville, Ont. K8N 5B5.

You know winter is approaching at O'Hara Mill. The buildings have all been closed up and the students have all gone back to school, but the grounds remain open to anyone wishing to take a long walk or even still have a picnic.

Madoc resident wins

Bursary Award

The Quinte Arts Council announced the winners of their 1988 Bursary Awards. They are: Ron Herrod of Trenton High School and Adam Swan of Centre Hastings Secondary School. This September Ron will be studying Graphic Design at Durham College. In the fall, Adam will be studying at the University of Ottawa in the Bachelor of Fine Arts (Studio) program. Each bursary winner was awarded \$200.00 towards continuing of their education. Each will receive their award at their respective graduation ceremonies in the fall.

While at Trudeau's Park, Stoco Lake, last week, regarding the rental of ATV's, a proud new father, Kevin Trudeau, the park's owner, was busy tending his 5 week old son Brandon Eugene, who is the first child for his mother, Donna, and the first brother for Casey Lee.

News from

Madoc Township P.S.

On Tuesday, Sept. 6th, the students and staff returned to Madoc Township School. There are 233 students, from Junior Kindergarten through

Grade 6, with 25 staff members. The staff consists of our principal, Mr. Art Gough, 14 teachers, three teacher assistants,

four adult supervisors, one secretary and two custodians.

One change in the organization of the school is that we now have two grade 6's. Mr. Brian Armstrong and Mr. Jack Murphy are teaching these students.

Mrs. Bonnie Rollins has been hired to assist in the Junior Kindergarten room for the month of September while the children are learning their routines.

Mrs. Jane Clifton will be at the school on Mondays and, hopefully, on Thursdays for piano lessons.

New Reading Program

On Thursday, after dismissal, the Nelson Publishing Company put on a display of the new reading books for the Whole Language Program. Three other companies, Ginn, Scholastic and Holt, Rinehart and Winston, will also be putting on displays for the teachers this month.

Our First Visitor

Mr. Wally Moffat, our area superintendent, paid us a visit on Thursday afternoon.

He came into each classroom to greet the students and staff members.

Legal Rights Handbook

A handbook about legal rights for women who have been or are battered by their partners is now available. The handbook also features a local resource insert that sets out many of the services and agencies providing assistance to women in Hastings and Prince Edward Counties.

Copies of the handbook are available free of charge from either Quinte Co-ordinating Services Against Domestic Violence or Hastings and Prince Edward Legal Services at 158 George Street in Belleville K8N 3H3.

This handbook will be of special interest to battered women, friends and neighbors of battered women, social service providers and counselors. The handbook sets out in summary form the steps in the decision-making process and general information about the justice system (including criminal charges), family law (importance of custody of children and support), and getting on one's feet again.

The development and publication of the handbook has been a joint project of Quinte Co-ordinating Services Against Domestic Violence and Hastings and Prince

Edward Legal Services.

It all began with the hiring of a law student with a SEED grant in the summer of 1986. Funding to publish the handbook was received in 1987 from the Ontario Legal Aid Plan and the Secretary of State.

Two thousand copies will be available in Hastings and Prince Edward Counties. Copies will also be available to transition homes and legal clinics in the rest of Ontario.

The Centre of the storm

As I watched the news broadcast on Hurricane Gilbert's movements, I was, and still am, intrigued. I am intrigued by its size, its devastation and its eye.

In the midst of that storm is an area eight miles in diameter that is calm and tranquil. In order to get accurate readings of the hurricane's strength, pilots must fly through the wall of the hurricane to that eye.

It would be through much turbulence that the pilot would have to fly, but after the turbulence, the pilot would break through the wall into that oasis in the sky, the hurricane's eye.

My mind swings its thoughts to the varied words used to describe the relationship of God to the believer in the midst of life's storms. Israel had its share of violent storms, although I am uncertain whether they had ever experienced anything like Hurricane Gilbert.

Yet, from their experience of storms, they drafted names to describe God. Such names included: a mighty fortress, the rock, our shield, our refuge, and our dwelling place.

Countless others could be listed from the Bible and many more that have been attributed to God down through the centuries. Perhaps, we might be able to include the hurricane's eye to this list, describing the way that God's presence lends us peace and tranquility in the midst of the storm.

Humans fall in the same lot. We experience similar happenings. There are times in each of our lives that waves and winds roll over us. There are times when lives become battered, our finances, family and friends are before us in ruins.

We look for a relief and reprieve from the storm. We pray and ask God to be with us and suddenly the eye of the storm is upon us. Peace and tranquility are our lot now. As long as we walk with God in the

eye of the world's storms will always be in God's presence and able to face any storm. There is a chorus to a real gospel song that sums up thoughts about peace in the midst of the storm. These words read:

In the midst of it all
In the midst of it all
I found hope that will not let me fall
Jesus heard my call
In the midst of it all
And in Him, I stand complete
In the midst of it all.

Queensborough News

by Goldie Holmes

Guests of George, Judith and Best family lately were: Yvonne and Ken Gamey of Tswassen B.C. and Diana Kitska Otto of Kuopio, Finland. Diana visited the Bests about 3 years ago.

On August 26th an Anniversary Party was held for John and Jennifer Bagshaw to mark their 25th. Wedding Anniversary. Friends and neighbours

gathered at their home for a pot-luck supper, and social time. Their daughter Sarah of Vancouver was home for the occasion.

On the weekend of Sept 10th & 11th Mrs. Lud Kapusta of Toronto spent the time with her mother Mrs. John Thompson & brother Bob and visited her father John in Belleville General Hospital.

Mrs. Irene Lynn of Tweed

visited Mrs. Jessie Holmes on Wednesday Sept 7th.

Callers at the home of Mr. and Mrs. Alex Clarke on Friday Sept 10th were Mrs. Bessie McKinnon and Betty and Mr. and Mrs. Ken Turvy, Trenton Road. On Saturday, Mrs. Ivi Meehan, Shirley Cooper and Mark Stevens were also visitors.

Ontario's Superintendents gather at O'Hara Mill

Last Wednesday O'Hara's Mill hosted a superintendent's workshop which was attended by an estimated 100 superintendents and their staff from various Authorities across Ontario. The event was sponsored by our

Moirs River Conservation Authority and demonstrations by Mr. Gray of the MRCA on woodcutting along with Solcan Ltd. of Canada's demonstration on solar heated water were among the days itinerary

for the Superintendent's. Besides observing these demonstrations, the Superintendent's, made up of mostly men, enjoyed the buildings and history surrounding O'Hara Mill.

Queensborough Women's Institute

Alex Clarke was guest for the September meeting of the Queensborough branch of the W.I. which was held in the hall on Wednesday, September 14 at 8 p.m.

Mrs. David Gordon, Pres. opened the meeting with the singing of O'Canada, The Ode and Collect.

There was a short business discussion, and letters were read. It was decided to send Mrs. Sandy McNeil to the area Convention in Cobourg on October 6, as a delegate.

The Roll Call "Name one important Nutrient of Milk" was answered by 15 members and 5 guests.

Mrs. Gordon was convener for the meeting. She introduced our guest speaker Miss Patricia Bateman, The Hastings County Dairy Princess, who spoke on the value of milk as a nearly perfect food, an what nutrients, vitamins and minerals it contained. She also presented everyone with a milk calendar and several papers and recipes. There was

a question and answer period. Mrs. Mervil Lees thanked the speaker and presented her with a gift.

Miss Bateman was accompanied by her co-ordinator Mrs. Karen Harder and daughter, also by Mrs. Janet Hamilton, who is Chairman of Hastings County Milk board. Mrs. Hamilton gave a short commentary of what her duties are.

The meeting was finished with a short singsong. "The

Champions, all!

Capping a fine year: Laura Kloosterman bade an emotional farewell last Saturday evening people who helped make her year as Miss Norwood Fair so unbelievably exciting and memorable. Laura became the 1st runner-up at the CNE Queen of the Ontario Fairs competition held in August. "Not in a million years" did she think she would do as well as she did. Congratulations again Laura.

Photography By

William Freeman

Kawartha Champs: The Norwood Century Home Video Pee Wees defeated Lakefield 7-5 last Sunday afternoon to finally claim the league championship. They had expected to wrap it up on Friday but during the second

inning of play there was a power failure and the game had to be scrapped. Sunday was a perfect day and Norwood fought back to win the series 2-1.

Dummer Township's royal lady: Della Moore of Warsaw is this year's Dummer Township Fair Queen. The 19-year-old Queen's University Continuing Education student, was back home last Saturday to preside over the fine one-day Fair held in the village. She was selected Fair Queen during the Winter Carnival.

Arthritis means "inflammation of a joint" and it can be anything from slight stiffness to crippling agony. Just ask the nearly 4 million people in Canada who suffer from this disease, 60% of whom are women. They'll tell you. Or ask the nearly 74,000 children who have arthritis or arthritis related problems, of the 1 million people over the age of 65. They all have stories to tell.

Arthritis is the most common chronic disease in Canada, affecting people of all ages; it can be permanently disabling, if not properly diagnosed and treated and while there is no cure yet, there has been significant improvement in treating symptoms.

Just ask Shirley Mason, head nurse at Toronto's Rheumatic Disease Unit (RDU) at the Wellesley Hospital. She too, has a story to tell. The RDU, which involves a formal affiliation between seven different Toronto teaching hospitals including the Wellesley, Sunnybrook Medical Centre, Toronto Western Hospital, Hospital for Sick Children, Mount Sinai Hospital, Toronto General Hospital and Women's College Hospital, is according to Ms. Mason, "a world-renowned unit which has attracted people from as far as the Middle East."

At the Wellesley, there is a 40 bed unit that seeks to diagnose and treat lupus, vasculitis, rheumatoid arthritis, psoriasis and osteoarthritis with a team approach that seems to work.

It's very much a multidisciplinary effort," said Ms. Mason, pointing out that doctors, nurses, dietitians, social workers, physiotherapists, the chaplaincy and pharmacological personnel each has a role to play at the RDU. The Unit, which was founded

More Able Than Disabled by Barbara Pealow

Arthritis...Most common chronic disease

in the early 1960's and established at the Wellesley by the late Dr. Metro A. Ogryzlo in 1967, not only provides medication but, according to Ms. Mason, encourages patient education as well.

"Patients come to the Unit when they are not coping well, for medical reasons or when they have a flare-up." Things are quite busy in this specialized Unit, which has a 93% occupancy rate.

"Everyone's Uncle Tom seems to suffer from some sort of arthritis. The chronic patients are in a great deal of pain, and often their condition prevents them from feeding or dressing themselves," Ms. Mason concluded. Perhaps this is why the RDU is such a key ingredient in the battle against arthritis and why September is named designated as Arthritis Month. The need is apparent, all that is required is a little more public awareness.

GLASSES DEVELOPED TO HELP THE DEAF WITH LIP READING

A pair of glasses that will assist the deaf with lip-reading has been developed by researchers at the University of Toronto. The glasses are designed to help lipreaders

distinguish between sounds that look alike, but sound different. Some sounds, easily distinguished by people who can hear, cannot be differentiated by a lipreader because the shape of the mouth makes them look the same. "The sounds 'fa' and 'va' for instance, look exactly the same on the lips," says Dr. Hans Kunov, an electrical and biomedical engineer at the U. of T. The difference in sound is because the 'v' is voiced: the speaker uses the voice in making the sound, while the 'f' is unvoiced; as another example, 'z' is voiced, 's' is not.

One way the glasses will help the lipreaders is by helping them determine whether the person speaking to them has used a voiced or unvoiced sound. The glasses are connected to a small, pocket-sized speech processor, that picks up sound frequencies from speech. It converts the sound into a signal which it sends to a tiny, light-emitting diode (LED), like the one used for numbers in clock radios. The LED is located on the inner side of one of the hinges on the glasses. The LED consists of a three-by-five array of tiny lights which

display different shaped rectangles when it receives a signal. The LED is in the periphery of the wearer's vision and won't interfere with sight. By merely glancing at it, the wearer can tell from the rectangles which are displayed whether or not a sound was voiced. Basically, for higher pitched, unvoiced sounds, the rectangle display is taller, so the rectangle is narrow and upright. Lower pitched or voiced sounds make the rectangle wider, so it is long and flat. Since the wearer has, by lipreading, already reduced the sound to two possible alternatives, the clue from the LED enables them to quickly pick up the right sound.

The glasses will be "an aid that should be inconspicuous to the non-deaf person," Dr. Kunov says. More work has to be done before the glasses become widely available. "We have tested the device only under laboratory circumstances," Dr. Kunov says. Some problems with interference from background noise still have to be worked out. Right now tests are being done with a prototype model. If the researchers at the U. of T. can find an interested manufacturer, the glasses should be ready for production in a year.

FREE ELECTRONIC HEARING TESTS will be given at the Campbellford Legion Hall, Sept. 29, 2:00-5:00 p.m.

THE MORE ABLED THAN DISABLED CLUB will be having their next meeting on Oct. 3 at 7:30 p.m. at Community Care in Campbellford. The Guest Speaker is Doris Gilbert from the Ontario March of Dimes.

GAME BIRDS

Hunting season's on and the hunter's partner is torn between two sets of feelings: (1) The appreciation of what free meat does for a family budget, and (2) conservation as to what to do with the wild fowl to be sure that it reaches

the table hot and appetizing.

CARE OF WILD BIRDS

Birds should be cleaned immediately after shooting (even if you wish to hang them) to prevent intestinal waste from seeping through the shot holes into the bird flesh. Pluck birds as soon as convenient. Cut off oil sack at tail base. To avoid tearing skin, dry-pluck while still warm, pulling feathers downward and in the direction that they grow. Remove pinfeathers with tweezers. Singe down feathers with a lighted, twisted newspaper, being careful not to burn skin. Transport in such a manner that air can circulate. Refrigerate two to three days before cooking or freezing for later use.

GAME FLAVOR

Mallards and canvasbacks may have dined on rotted fish before shooting. Such birds have a really rank odour. This odour cannot be removed and it's better to destroy them rather than to eat them. This odour and flavor is easily distinguished from the so-called "fish-y" taste. Soak in salted water overnight. Soak in milk or marinades. Or, simmer in water until tender. Remove it, cut it up, then fry like chicken. This makes the meat quite soft but the gamey and duck flavor is removed.

FREEZING

Game birds that you wish to put in your freezer or locker should be hung for 1 to 2 days before being wrapped for the freezer. Wrap in freezer type paper or place in a plastic bag. Place the bag in a pile of cold water. The weight of the water will push the air out of the bag. Seal the bag.

OLD JOE'S WILD DUCK CASSEROLE

Use 2 mallards, or pintails, or widgeons, or canvasbacks. Disjoint and rinse well in lightly salted water. Dry well. Dredge in flour. Brown in hot fat. Brown 2 chopped onions and 1/2 green pepper, chopped. Place duck in casserole. Add: 1 small clove garlic, chopped, 1 tin consommé or 1/2 consommé & 1/2 grape wine. Season with 1/2 tsp dry ginger, 1/4 tsp nutmeg, 1/4 tsp salt and 1/4 tsp pepper. Simmer in slow oven, 300 deg. F. for 2 hours. Serve. This casserole is better cooled, refrigerated and reheated the next day. Thicken the gravy if desired.

CHOW! See you next week.

WORKING HARD FOR YOU!

Sharon Benedict
Branch Manager
Brighton Office

With nineteen years experience in the general insurance industry and Branch Manager of G & B Allen Insurance Brokers, Brighton, Sharon is available to all for assistance in your entire insurance needs, including automobile, home, commercial, fire & general liability insurance.

Sharon obtained her R.I.B.O. Licence in 1981. Previously, she was with another brokerage firm in Hastings County for 15 years acting as Office Manager. Three

years prior to that she worked for an independent claims adjuster in Trenton. Born and raised in Frankford, educated in Belleville, the entire area is very familiar to her. For any inquiries or help, call the Brighton Office.

The Rural Scene

by
Ken Yarrow

Madoc Fair is fast approaching again, frosty evenings with beautiful sunny days, fresh rosy apples (to make pie?), an abundance of fresh vegetables and masses of colorful flowers. All these things go together

to make fall fair weather, not only in Madoc, but elsewhere about the countryside. As well, all these bounties will be displayed at the fairs and, of course, will be judged to see which gets the coveted first-place red ribbons.

We have a couple of new features, this year: a log sawing contest for both amateurs and pros; in keeping with the age, it will be with power saws. For details, contact John Hastings.

The second new item is the renovated horse barn containing hundreds of fowl, expertly displayed and judged by the Northumberland Poultry Club. Also in the barn we will have pens containing part of the animals from the Chipzack farm. These people are committed to preserving many of the breeds facing extinction for one reason or another.

There will be a mare and her

This is why you should invest in a Lifestyle

A CLOSER LOOK

Factory installed plumbing and a simple slide-in equipment package makes a Lifestyle Spa portable and practical. Each Spa is self-contained and needs no connections to house plumbing. We manufacture the entire package ensuring that you get the best materials.

Lifestyle portable spas will pass through a standard 30" doorway. Two models are narrow enough to go down basement stairs with low headroom.

LIFESTYLE SPAS

FEATURES AND BENEFITS CHECK LIST

FEATURES	BENEFITS	LIFESTYLE SPAS	OTHER
• One company only manufacturing the spa, support system and the cedar cabinet.	• One phone call takes care of all your problems.	X	—
• A manufacturer operating on an international scale.	• A solid company supporting the warranty at all times.	X	—
• 5 portable models	• A broader selection of spa answers at your needs.	X	—
• 4 deep models	• Makes decoration easier.	X	—
• Choice of 6 colours.	• More durable and shock resistant than 125 mil. acrylic (or less) used by many of our competitors.	X	—
• 167 mil. acrylic on all our models.	• Combined with the acrylic surface, the Ruregrip gives you a solid, strong, heavy shell for a long lifetime into the future.	X	—
• Extra thick Ruregrip.	• This thermometer specially designed for spa use will give you a precise reading and will eliminate the danger of getting into water that is too hot. Temperature is displayed constantly.	X	—
• Thermometer and thermometer included with every spa.	• You will be immersed in hot water up to your neck contrary to many competitive spas with seating that is shallow.	X	—
• Deep Seating.	• A high performance jet, easily adjustable will give you better water action than many competitive jets.	X	—
• Chrome finished spa jets standard in all our spas.	• Helps conserve energy.	X	—
• Floating covers, cut to size included with each spa.	• More energy savings unlike a lot of other spas where the shell and/or plumbing are not always insulated.	X	—
• Spa shell and plumbing are totally insulated with urethane foam.	• Eliminates any extra work that has to be done to ensure proper heating of your spa.	X	—
• Free standing, self-leveling base.	• The best spa filtration system, allows your water to be filtered from the top and the bottom, making cleaning the cartridges an easy job.	X	—
• Shimless installation, complete with filtration cartridges, built-in with every spa.	• Allows you to operate your spa with a fingertip control.	X	—
• Portable spas: 30 sq. ft. Deep Spa: 50 sq. ft.	• Fits under the spa with no additional plumbing connections required.	X	—
• Control console for easy identification.	• For your protection.	X	—
• A high performance spa support system and easily installed.	• A high performance pump designed to keep you relaxing your energy levels.	X	—
• C.S.A. approved support system.	• For your protection.	X	—
• Our pumps are built under Lifestyle specifications with a flow rate of over 10 gallons per minute.	• More durable than bubble piping and allows you a greater flow of water.	X	—
• Adequate G.F.I. included.	• Facilitates the drainage of your spa when required.	X	—
• Rigid piping.	• Eliminates the need to drain the water when servicing your system.	X	—
• Drain valve included.	• Installation easy, no plumbing required, no tank needed.	X	—
• Self-heating hot valves included.	• For more water movement.	X	—
• Easy to install under cabinet.	• For your protection.	X	—
• An optional optional system available.			
• One of the best warranty programs available. 1 Year on your support system (Shell & Ruregrip) 5 years on the acrylic surface, 20 years on the spa structure (no pressure).

The Rural Scene

Cont'd from page 10

When we consider the questions, I would like to suggest that we not forget the big commonality, namely, the environment.

Are we going to have federal representation committed to dealing more strongly with the U.S. in regards to acid rain? Are we going to have a stronger and more meaningful immediate clean-up of pollutants affecting many of our major bodies of water? Are we going to see a stronger emphasis to eliminate the credited to airborne pollutants that affect our national forests? Are we going to get action on alternatives to contaminants other than leaded gas?

I could go on and on, but the bottom line is a lot of technology has been used that was paid for with taxpayer and consumer dollars to create the problems. Now, let's not compound them with more. Once destroyed, many things are irreplace-

able. In my mind, nothing is of greater national concern.

On the local scene, I see an increasing trend to regional government from outside sources. The latest is the recommendation that the County appoint representatives to the Conservation Authorities.

This, on paper, may look good to some, but if you lose the volunteer aspect, then many times you lose commitment. Appointees many times only take the job because of duty. In addition to this, County representatives receive per diems of approximately three times that of council appointed reps. So, the highly touted saving, in my mind, will not be a reality. Cut the numbers and replace it with higher-paid persons.

This is not the only subtle leaning toward regional government, and I am personally opposed to it. Once we lose our individuality and direct contact with local reps, then

we lose input and control of our local affairs.

The upper tier governments, I am sure, would love to have less people to deal with. I oppose this, as well, because the grassroots people know what is going on and the needs of their own particular areas. Many would deny that regional government is being promoted; well, it isn't, openly, but I think we should beware of the same thing in other guises.

Whatever you do, attend the meetings, form your opinion and get out to express it through the ballot.

Springbrook OASA Bantam finalists

Springbrook's Harold Cheese Bantams were finalists at the OASA Bantam 'D' Tournament, held in Carrying Place on Labour Day Weekend.

Springbrook put themselves in a hole with a first game 3-2 loss to Verona, all three runs occurred in one inning.

Facing elimination in the double-loss elimination tournament the Cheese Crew won four straight games before being knocked out in the championship game by a Milverton team.

In their second game, they defeated host Carrying Place 6-5, then came back to defeat Ottawa 8-7 in an exciting contest. On Sunday, they won in a sometimes heavy drizzle. Springbrook dealt an 8-3 death blow to arch

rival Wellington, and after a 15-minute rest, revengeed their earlier loss to Verona with a 7-2 victory.

Again, on 15 minutes' rest and playing for the Ontario Championship, the succumbed 4-0 to a strong Milverton team, who were playing only their fourth game.

The Cheese boys played with character and class and came so close to that elusive title.

Highlights

Kevin Brahaney, superb offensively and defensively; Drew Allenby's work behind the plate; the pitching staff - Rod Torrance 3-1/2 games, Tommy Lee vs. Wellington, Kevin Burgess in relief vs. Milverton; the bench never quitting and always ready; Coach Bryce coaching from right field on Saturday night.

Charging into second base: A member of the Lakefield Pee Wees makes a dash to second base arriving just before the throw from home plate. It was the final game of the Lakefield/Norwood Kawartha Softball League Championship series and Norwood fought back to take a 7-5 win claiming the 1988 title.

Check blood pressure

Your doctor has just told you that you have high blood pressure. Now you're wondering how this condition will affect you.

The first thing you should realize is that you'll have to modify your lifestyle. Although high blood pressure (or hypertension) can't be cured, it can be controlled through lifestyle changes and in some

cases, prescribed medication. You should discuss any lifestyle modifications to help control your blood pressure with your doctor.

*** Diet.** If you are overweight, your doctor will suggest you go on a diet. Not only will you look and feel better, but losing weight should help lower your blood pressure.

*** Sodium Intake.** Sodium, found

in table salt, plays an important role in controlling your blood pressure. High levels of sodium in your diet can lead to fluid retention and that, in turn, can lead to high blood pressure. Your doctor will ask about your sodium intake and suggest that you reduce the overall amount in your diet.

CARD OF THANKS

We welcome this opportunity to thank the Belmont & Methuen Fire Department for their help we received putting out our fire, for their fast efficient work. We are very grateful. Many thanks to Peter Deshane and his son Joe, with his 110 horsepower 4 wheel drive tractor which helped to save our barn. Many thanks to all. Wilfred and Florence Ellis.

We would like to express our sincere thanks to all who remembered us with cards, expressions of sympathy and beautiful floral tributes. As well as donations to charitable organizations during our recent bereavement. We thank Pastor Randy Moore for his kind words, the ladies of the Free Methodist Church for a lovely luncheon as well as those who brought food to our home and served it. We appreciate very much the kindness shown to Mother by the staff of Campbellford Hospital, Carewell Nursing Home and Dr. McEwen. Thanks to all. Elmer & Lenore Nelson and Family.

CARD OF THANKS

A SINCERE "Thank You" to our family and friends for gifts, cards and best wishes. We received on our 40th anniversary. A special thanks to our family for the lovely dinner cruise on the Ottawa River and to Dick & Shelly for being so thoughtful. Grant and Barb Stapley.

GIFFORD - I wish to express my sincere thanks to the many folk, who were so kind to me during the time of the recent passing of my husband, Sam Gifford. To the Marmora and Cordova Free Methodist Churches for their many acts of thoughtfulness. To our relatives, friends, old and new, and neighbors your love and sympathy sustain me a great deal. Mary Gifford.

I WOULD like to thank everyone for the telephone calls, flowers and cards while I was in hospital. Your kindness was greatly appreciated. Thank you again, Gerald Warren.

THE community of Queensboro would like to thank all those who attended the picnic on September 3rd, 1988. A special thank you to those who helped organize this event and assist with the games to make it a success.

The family of the late Earl Morgan would like to thank everyone for their kind words, cards, contributions to the Heart Fund, and donations of food. He was a wonderful Dad, grandpa, brother, brother-in-law and son-in-law. Thank you to your family, Royal Canadian Legion and the McConnell Funeral Home for their help and assistance. Thank you to the Mador Ambulance and the emergency staff at BGH. Dad will be missed by many. The Morgan Family.

We take this opportunity to thank our family, relatives, neighbors and friends for arranging our golden wedding anniversary, sending or bringing cards and gifts, writing beautiful memories and especially thank you for the time and the trouble to be with us for this once-in-a-lifetime celebration. We must thank particularly our precious daughters, Joan and Elaine, our well-chosen sons-in-law, John Kleianic and Ron Scott, and the best six grandchildren in the world. We were so blessed. We will never forget the Anglican Church Women, the United Church Women, the Eastern Star, the Past Matrons, the Rotary Club, the Women's Institute, the Five Counties Children's Centre, the various governments, Lynne Klopstern and Darlene Pomeroy for catering. Many people have told us what a lovely party it was. Sincerely, Gladys and Harvey Robertsson, Havlock.

C.H.A.M.P.S.

(Centre Hastings Area
Meal Plan for Seniors)

Jack Terry, a volunteer of the CHAMPS (Centre Hastings Area Meal Program for Seniors) delivers the programs first meals to apartments at 188 St. Lawrence St. East last Thursday, launching the first of it's kind "meals on wheels" in Madoc. For delivery contact Bill Knight at 473-4454 or Kay Peacock of the Community Resource Project at 473-5076.

Dates to Remember

Sept. 27 - Quinn's of Tweed presents "Autumn Leaves". Barb Hannemann presents "Fragrances". Beginning at 7:30 p.m. at the Iwanhoe Township Hall. \$5 per person includes tea & dessert, door prizes, proceeds to H.V.F.D.

Oct. 1 - Centre Hastings Gymnastics Club begins from 9 - 11:30 a.m. in the gym at Madoc P. S. To register call 473-4463.

Oct. 1 - Rummage & Yard Sale at St. Peter's Presbyterian Church, 91 m. to 1 p.m.

Oct. 1 - Harvest Ball, Madoc Kiwanis Centre, featuring 'Country Pride'. Proceeds to go to O'Hara Mill.

Oct. 15 - Fall Bazaar & tea at the Sacred Heart of Mary Parish Hall.

Oct. 19 - Tea & bake sale, Bethesda United Church.

1988 Madoc Fair

Madoc Fair - Thousands turned out for this year's Madoc Fair even though there was no midway. There were lots of other things to enjoy

such as the many draws and exhibits, the lumberjack contest, the demolition derby, etc. (above) Madoc's IGA sponsored their kiddie train

used in Madoc's Santa Claus parade. For more photo's of the 83rd running of the Madoc Agricultural Fair turn to the Midweek section of this paper.

"Twenty-four hour gas bars or convenience stores may work in Belleville but not up here" according to Lesage Esso in Tweed.

The Esso gas bar and variety (known formerly as the Pro) tried the 24 hour concept, on a trial basis, for 5 weeks beginning in July. It's findings, according to owner Terry Lesage, who shares ownership of the Esso with his brother Ray Lesage, says "there's not enough traffic at night" which is surprising considering the traffic flow on Hwy. 37. Marmora or Belleville are the only options open to those seeking night time "variety" relief.

When asked if they had any intentions of opening on a 24 hour basis for the long weekends, the answer was "no" and there are no 24 hour openings planned for the winter months.

Open 24 Hours?

The Esso gas bar and variety in Tweed tried the 24 hour/7days a week concept, but failed.

Hunting Season Opens

It seems everyone around here loves to hunt, whether it be animals or whatever. Just so you don't go shooting up the wrong things a list of the different hunting seasons and their commencement dates is listed below.

BEAR
September 1st

DEER
November 7th (gun)
October 15th (bow)

MOOSE
October 17th

RABBIT
PARTRIDGE
DUCK
GOOSE
September 20th

Changes in regulations surrounding the different hunting seasons have been initiated and before you partake in any

of the hunting season areas you should refer to a booklet available at the Tweed Ministry of Natural Resources.

Harvest Festival

O'Hara Mill proudly presents it's annual Harvest Ball to be held at Madoc's Kiwanis Centre, October 1st, beginning at 9 p.m. Tickets are \$15 a couple and are available at Wilson's of Madoc, Pigden's Motors, Board Members and

MRCA offices. The Board has arranged for the band "County Pride" to provide the entertainment throughout the evening. Proceeds go to the restoration and maintenance of O'Hara Mill.

Bus cancelled but...

Wallaby returns home

Introducing Cha-uk, the escaped Wallaby Marlbank on September 18th, which returned home to the Philoxian Zoo in

photo by Janice Pinke

Seven a.m. Sunday morning the 18th of September Awanota Stewart, curator of the Philoxian Zoo in Marlbank, went out to check on the zoo's unusual assortment of creatures and discovered Cha-uk, Philoxia's Wallaby who escaped the zoo's confines in July, had come home.

More tame now than when he left, Awanota says that the wallaby appears to have forced the cage door, housing the zoo's rabbits, open and entered, probably seeking companionship. Previous to

Cha-uk's disappearance, caused by some children leaving the animals cage door open, the wallaby was witnessed playing with the rabbits. Awanota smiles when he speaks about the search parties Philoxia organized after receiving confirmed sightings of the wallaby's whereabouts over the past months. "All that running around we did, and he came home by himself." Substantiated sightings of the missing wallaby were received from Northbrook, Gananoque

and Marysville. The wallaby, who originates from Australia, can travel speeds between 15 and 20 m.p.h. Cha-uk, while living in the wild life in Canada, has survived on such eatables as grass, hay, grains and vegetables. Awanota says the Philoxian are relieved at having wallaby home. Philoxia's current feature pair of cockatiels on sale for \$85. They also boast a large assortment of peacock fowls. To reach Philoxia call 478-6070.

All not lost!

The bus service, begun by Franklin's Coach Lines Ltd. of Belleville, made it's last run on Friday. The bus service was cancelled due to lack of ridership.

Monte Smith of Franklin's contacted the Madoc Review Friday however, informing us that, beginning this Thursday the 29th, the Tweed bus service to Belleville, will be extended to Madoc.

It will run once a week, every Thursday, and will leave Madoc's four corners at 8:30 a.m., Kramp's Restaurant at 8:35 a.m., leaving Tweed at 9:00 a.m. and arriving in Belle-

ville, at the Quinte Hotel, Bridge and Pinnacle, at approximately 9:30 a.m.

The cost: \$5 one way and \$9 return.

For further information contact Franklin's at 966-7000.

Northern Communities want Chamber of Commerce

There will be an inaugural meeting held to organize a Chamber of Commerce for the communities of Northbrook, Cloyne, Kaladar, Harlowe and Flinton, on October 17, 1988, at the Lions Hall in Northbrook.

If you live in one of these communities and you wish to have your communities and you wish to have your community recognized then be in attendance. Show us you care about the area you live in and let's help to promote it through the Chamber of Commerce.

This new Chamber of Commerce will help to promote these northern communities, boost their economic growth and improve the social well-being of the communities.

This concerns each and everyone living in these villages. Everyone must come out to support this worthwhile organization.

Further information can be obtained from Jason Hoar, Northbrook, 330-8115.

CLASSIFIED are for everyone!

Madoc's new Re Max Empire Realty Limited got their new sign last Tuesday. The company which had been Denison & Mutch became a Re Max franchise back in May.

Jim Clark, the Priest of Madoc's Anglican Church, and his wife Denny, enjoy a meal offered during a "dry run" Tuesday for Madoc's meals on wheels program entitled CHAMPS (Centre Hastings Area Meal Plans for Seniors). 24 people sat down to a meal of barbecued

apple juice, coleslaw and apple crisp. When asked if they enjoyed the meal, Mr. and Mrs. Clark answered "very much". The same meal will be delivered to area seniors and shut-ins through Madoc's CHAMPS program for \$3 a meal, twice a week.

...Testing...Testing...

A micro wave (found in ovens named after the same) is the size of a pencil lead and prolonged exposure to such is believed to be carcinogenic (cancer causing).

Do you have a microwave oven? Does it leak? Maybe you don't really care.

Scott Pettigrew of Scott's Appliances contacted the Madoc Review last week with word about a service he can now offer, using a device produced by Universal Enterprises named the Microwave Leakage Tester.

A needle displays any detected leakage in the form of milliwatts. Any reading over 1 milliwatt as set in guidelines

released by the Consumer Safety Association is unsafe and possibly carcinogenic.

Scott began advertising the Leakage tester a few months

ago and people concerned about the effects of micro waves have summoned Scott's assistance, which initially costs \$15.

So far, as is generally common, most leaks found

have been neither complicated nor expensive to fix according to Scott. Leakage most commonly occurs around the oven door.

Scott warns readers that consumers should not work on microwave ovens -- "they are very dangerous". "Even when the oven is unplugged, you could still receive a very bad shock."

To insure your immunity against these "waves", a leakage test should be done at least once every couple of years.

For further information contact Scott's at 478-2318.

COUNTY OF HASTINGS
**TENDER FOR
HIRED EQUIPMENT
FOR WINTER SANDING**

Sealed tenders, on the forms supplied and marked as to content, will be received by the undersigned until 4:00 p.m. on WEDNESDAY, OCTOBER 5, 1988, for the hiring of equipment for winter sanding.

A Single Axle Truck with a minimum gross vehicle weight of 14,000 kg. will be required at each of the Marlbank and Marysville Yards.

A Tandem Axle Truck with a minimum gross vehicle weight of 19,000 kg. will be required at each of the Foxboro, White Lake and Madoc Yards.

A current P.C.V. Licence is required for all trucks.

Hired Loaders, capable of loading sand onto tandem trucks equipped with hopper sanders will be required, at each of the following locations: Marysville, Marlbank, Stirling, Tweed, and Long's Quarry in Tyendinaga Township.

Bidders must use County tender forms. These forms, together with specifications, are available at the Office of the Purchasing Agent.

Lowest or any tender not necessarily accepted.

Marmora Seniors Meeting

On Monday, Sept. 19th, a group of eight volunteer members of the Seniors Club gave our Rooms a good housecleaning. The sheets, drapes, dishes, floors and windows really shine now again.

On Tuesday afternoon, we had the first Open House. Fun and games were enjoyed. This continues each Tuesday at 1:30 - come and enjoy.

Then, Wednesday afternoon was our potluck luncheon. This is always the third Wednesday of the month. About 28 members and one visitor, Margaret Campbell, attended. Margaret is a former Marmora Township resident and is now located in Salt Spring Island in B.C. She was a guest of Amy Thomson.

Our euchre party was at 8

p.m. on Thursday night. The attendance was great - 70 players. Madoc and Campbell were there to boost of locals. Here are the results September 22:

Men - first, Herb McBride, score of 77; second, Pauline McEvoy (playing as a man) 74.

Ladies - first, Eileen Bell, 7; second, Marie O'Neill, 69.

Hawaii Dance Tickets Going Fast

Tickets for our Hawaii Elimination draw on October 8th, are going fast. Remember - no tickets will be sold after 8:30 on October 8th, so anyone planning on being in the prize money of \$5000, should buy now.

Becker's, Marmora IGA and Mallett's have tickets on sale, as well as all curling club members, so plan ahead and don't be left out.

There will be tickets on sale

in front of the IGA on September 24th and October 1st, from 10-4, for anyone who hasn't purchased theirs yet.

All leagues are making plans for start-up of curling the first week of November. Mixed leagues are on Monday and Tuesday nights, ladies Wednesday afternoon, and men's league Wednesday night. Junior curlers are aged 12-19 and curl Sunday nights (with adult supervision) from

7-9. The fees for this year remain at \$65 for all leagues except Juniors which is \$10. Good exercise at a very reasonable price!

All are invited to come out to our Wine & Cheese Open House on November 1, 2 and 3, at each evening and see what facilities are available. Equipment and assistance will be available so you can try out the sport.

Come out and join in the fun

Marmora Women's Institute

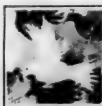

The September meeting of the Marmora Women's Institute was held September 14, in the Senior Citizens Club Rooms after a potluck supper for 14 members and one visitor. A birthday cake was served to Bertha Marskell and "Happy Birthday"

The president, Bertha Marskell, opened the meeting with the singing of the Institute Ode and all repeating the Mary Stewart Collect. The roll call was answered with a give a world event that has affected Canada and the handing in the envelopes

for summer fun, a money raising event.

The minutes of the last meeting were read and approved. Communications were read. The Trent Valley Area Convention is being held in Cobourg on October 6. It was

Knights of Columbus sponsor Prayer Service

As part of an international campaign, the Knights of Columbus Council No. 7301 of Marmora is sponsoring a public prayer service at Marmora Sacred Heart Church on Monday, Sept. 26th, at 7 p.m.

This year's "Marion Hour of Prayer" program honors Mary, the mother of Jesus, under her title, "Our Lady of Pochaiv", a name of Ukrainian origin.

The Marmora service is one of a series of similar services being sponsored on a rotating basis throughout the year by Knights of Columbus councils in the United States, Canada, Mexico and the Philippines. The prayer program is one of several religious initiatives being undertaken by the Knights of Columbus.

In describing the aim of the program, Virgil C. Dechant, head of the international KOC,

stated, "We pray for all the causes supported by our Order, particularly Pro-life concerns, the family, vocations, public morality, and Catholic education."

Mike Horvath, head of the sponsoring council, said that the event was an opportunity to play a part locally in an important international campaign.

"Through this program, the people of Marmora can add their voices in prayer to those from around the world."

Our Lady of Pochaiv is one of many national titles by which the Blessed Mother is known. It refers to an icon of Mary honored by Ukrainian monks from the monastery of Pochaiv in Russia's Capathian Mountains.

Since the 16th century, many miraculous occurrences have been attributed to the icon. As the symbol of the Marion Hour

program, a copy of the painting will be present at each prayer service.

The tribute to Our Lady of Pochaiv is the fifth year-long Marion Hour of Prayer program to be sponsored by the Knights of Columbus, a Catholic fraternal organization with more than 1.4-million members worldwide. The four previous programs attracted more than 6.7-million participants to nearly 30,000 prayer services.

The Knights of Columbus of Sacred Heart Parish extend a warm welcome to all of those who wish to join them at this special service to offer up prayers to Jesus through the intercession of His Blessed Mother.

Red Cross. Ready.

Meeting

Cont'd from page 4

moved that Minnie Empey go as a delegate.

A letter was received informing us that a potluck supper is being held in Stirling, on October 1st, at the Stirling Club, it being the 100th anniversary of OMAF.

Marmora Institute is holding a Hallowe'en Tea and Bake Sale on October 28, in the Senior Citizens Club Rooms.

Mrs. Helen Trefry gave the motto: courage is what it takes to stand up and speak, also what it takes to sit down and listen.

Helen gave an interesting talk on the Loon as she was in charge of the program. She gave each a ticket on a picture of the Loon. Mrs. Betty Houston had the winning ticket.

The meeting then closed with "O' Canada".

NO MUTANT GOD

During the spring and summer, leaves are vigorously green. The chlorophyll that causes the leaves to appear green even overshadows the hidden yellow and orange pigments.

As the weather becomes cool, the chlorophyll ceases to be produced and the yellow and orange pigments appear. The cooler weather also facilitates the production of a red pigment. So, as fall begins, we are dazzled by a canopy of changing colors.

The leaves turning their colors reminds me of the changeableness of our world. Changes or mutations like greying hair, are gradual, slow and of little consequence to your health.

Major mutations are quite different! They usually result in death. When cells begin to madly mutate, grow to abnormal sizes and reproduce quickly, the result is the major mutation, cancer.

There are varying causes for mutations. Radiation is probably the most familiar to many of us. Changes in temperature and the use of certain chemicals also produce mutations.

Even though all levels of life experience changes, God does not change. God is immutable. God is unchangeable. He is always the same yesterday today and forever.

The Snider family sings a song that speaks about God's unchangeable nature. The song's words explain my point clearly.

Change is everywhere around us.

Everything claims to get bigger and better.

It makes it hard to understand.

How Jesus Christ is always the same.

His love remains!

When you need Him, He is there.

He is faithful and unchanging.

You can count on Him.

For Jesus is always the same.

As you drive or walk among the changing colors of fall, remember God does not change. Perhaps, you might even begin to sing a verse of "Great Is Thy Faithfulness".

Trinity Women's Meeting

Cont'd from page 6

Carman welcomed all present and said she was glad to be back. She read a poem "Lake Louise". The Lord's Prayer was repeated in unison, and the 117 Psalm was read, also "The Purpose" Hymn 502. What a friend we have in Jesus" was sung, followed by

the Roll Call. The minutes of the June meeting was read by Verna Empey. The treasurer's report was given by Eva Brownson.

The worship service was led by Eva. Hymn 263 "My faith looks up to Thee" was sung. A reading on "Faith" and "Fight the good fight," and "Share the faith and follow God" followed with prayer. The offering was taken and dedicated. Eva went to General Council so brought back an account of the meeting which was very interesting.

The program was led by Ruby Brady. She had each member tell about their summer. Sadie Holmes told us

about her trip out West with the Parankis, visiting a park and a picnic at Drumheller. Alberta Vera Smith visited the Hershey Chocolate factory, also saw Buckhorn Gallery. Mary Taylor was 7 days at Pennsylvania. Verna Empey visited Manitoba with a grand daughter, Anna. Carman visited Buckhorn Lake and had a ride on a paddle boat. Viola Wannamaker was camping with her son Clifford and his wife Florence at Adolphustown camp ground for a couple of days.

The meeting closed with the Mizpah Benediction. Ruby Brady had a contest among different kinds of apples.

Plans are underway for the Federation Professional Development Day next February. The staffs from the Elementary School, Secondary Schools, Separate Schools and Prince Edward County will be participating in the day. It will be sponsored by the 4 federations.

Holt, Rinhart & Winston Publishing Company visited our school on September 16. The teachers had an opportunity

to examine the company's new whole language books which are available.

Mr. Gough, Mrs. Burnside, Mrs. Goulah from our staff, Mr. Al Stitt and Mr. Wally Dever will travel to the W. Ross MacDonald School in Brantford on October 20.

This is a school for the visually impaired. We have 3 of these children in our school at the present time.

Liz Churcher was at our school on September 22. She is

a resource person for the Hastings County Board of Education and was here to discuss "Science is Happening Here," the new ministry document for teaching Science.

On Friday, September 23 the Hastings County Board of Education held its first N.J. Day for the school staffs this year.

The teachers attended various workshops in the schools in the Belleville area. These workshops were related to the

new curriculums in the

Mr. Gough and Mrs. pelle met with a group of parents on Thursday, September 22 to discuss the plan for the L.C.G. study this year.

New Teachers:

The Hastings County of Education has placed serious of five workshops teachers new in the school. The first of these began on Tuesday September 27. The session was held at the office commencing at 4:00 continuing until 7:30. Our new staff members also new to the system Patti Sharpe and Mr. M. Thorne, and they attended first session. Mrs. Burnside our staff was on hand on occasion.

Book Company Presents

Nelson and Ginn Publishing have sent representatives to the Madoc Township School Board presentations suggesting material needed for a Whole reading program. Rinehart and Scholastic at the school on Friday and on the 22. These sessions commenced at 3:40 and continue until 4:45. The approach allows staff to select the materials available from each publisher; follow four presentations that will make purchase decisions. A considerable portion of funding for the new material has come from the fund raising.

Added to the Team

Mrs. Carol Grosjean, 8 am coordinator for the office at Ann St. in Belleville will be working with staff in the school on Friday September 23. She met extensively with school curriculum leader team, Mrs. Wanda Burnside, Mrs. Jan Bruce and Mr. Gough. In the afternoon Grosjean met with a number of teachers. Her efforts continue upon the reading program from the whole school perspective. Ms. Grosjean will be in the school numerous times during the first term.

Mrs. Debbie Wood is in process of finalizing her plans and teams for the Home Sales during the year.

Open House will be held Tuesday October 4, 7:00. On the occasion, staff will be introduced and program will be outlined. All welcome to attend.

CLASSIFIED are for everyone

Madoc Fair

1988

Bingo! - Shirley Rogers holds on her lap one of the many prizes offered when one gets to yell "Bingo!"

Crash - Roy Ymker of Foxboro was the derby's winner of the Glen Baker Memorial Award sponsored by the Madoc Agricultural Society.

You've got 60 seconds - Mona Winterburn of Madoc won the chance to shop for 60 seconds free. The draw was sponsored by the Big Brothers/Sisters of Centre Hastings. Mary Jane, the Centre Hastings President, was out this weekend promoting the sale of tickets.

The winner of the Bossy Bingo is Karen Yarrow of Stittville, Ont. The cow named her the winner after taking 5 1/2 hours to plow. Her lucky number was 159. The winner of the basket of groceries sponsored by Madoc's Agricultural Society is Pat Brownson of Eldorado. Audrey Townson of Madoc won 2 wooden lawn chairs in the draw sponsored by the Centre Hastings Retraining Centre. The Madoc Historical Foundation's draw named Frank LeFrank of London, Ont., the winner of the coffee table. Roy Moorcroft of Madoc the winner of the rug and Bill Kelly as the winner of the designer plate.

Little Cello - The winners of the baby contest were Amber Trotter of Marmora and Jamie Haggerty of Madoc. Mallory Assestine had a real good time at this year's Madoc Fair. She came for the candy floss, the same as this paper's editor, but unfortunately there was none.

It's an art - Terry Lanpevin of Tweed, takes the blows, at the fair's Martial Arts display.

TURN TO PAGES

10A & 13A

Saturday, September 17th was a wet, rainy day for the Wheelchair Clinic at the Legion Village. But it didn't dampen the spirits of the volunteers, visitors and scooter users. 13 wheelchairs and scooters had been serviced that day.

Doris Gilbert from the March of Dimes and the Northumberland United Way, wants to show her gratitude and to give special thanks to all those who helped her organize the Wheelchair Clinic.

SPECIAL THANKS TO:

The smiling and cheerful faces of Jennifer and Vanessa Crossley at the registration post, who put us at ease when we came in.

The "Men at Work", Peter Allan and Dale Brand from Doncaster Medical Supplies, John Egas and Walter Lloyd, volunteer mechanics from the Legion Village. What a sight to see and watch as they cleaned, oiled, pumped air into tires, and even took some apart and put them back together. Well Done!

The volunteers from the Legion Village, Dianne Frenze, Sharon White, Maida Babb, Genevieve White and Eleanor Alpin. They all helped to transfer users from one chair to another.

The Kinette Club of Cobourg, Maggie and Karan Colacci, Maureen Billings and Marlene Watson, which provided refreshments. They served sandwiches, delicacies and a big bowl of rosy red apples, along with coffee and tea. By the time I left, I felt 10 pounds heavier, but it was worth it!

Mrs. Bea Read from St. John's Ambulance, United Way Agency, and the Home Care Program, who took a bearing interest in everyone she chatted with, and was very

More Abled Than Disabled

by Barbara Pealow

Wheelchair clinic at Legion Village in Cobourg

informative. Russell "Thumper" Rogers and Chad "Crazy Legs" Loughheed of the "Jammin News Crew", who came all the way from Oshawa to entertain. Their music and dancing added a lighthearted atmosphere. They even got me up dancing, holding me up on each side, of course!

Biljana Korolija Carter, our Community Services Manager, and Helen Nunney from Kingston, Ont., who were very helpful in answering all our questions.

Mr. Angus Read, the Mayor of Cobourg, who, to our delight, dropped in on the festivities. Mayor Read took a keen interest in the volunteers, the commings and goings about the Wheelchair Clinic and he chatted with everyone, which really made our day.

And, finally, a special thanks to you Doris, for being a "Superperson" to start the ball rolling for us and for helping many to help themselves.

\$1.53 MILLION IN GRANTS AWARDED TO IMPROVE ACCESS FOR DISABLED PERSONS

Toronto: Non-profit organizations across the province have received \$1.53 million in

provincial grants to improve access for disabled persons and senior citizens in 67 community facilities. The grants were announced by Remo Mancini, Ontario Minister responsible for Disabled Persons, and Mavis Wilson, Ontario Minister responsible for Senior Citizens' Affairs.

Eleven non-profit community organizations in Eastern Ontario received Access Fund Grants worth \$205,895.

This is the second set of grants to be made from the \$15 million Access Fund since it was created in June 1987.

"These grants extend access to the community and its facilities for disabled persons and senior citizens in our province. At the same time, they encourage community participation in the provision of accessibility," said Mr. Mancini.

"Improving access to community-based centres is essential to the province's continuing efforts to improve the quality of life for seniors and disabled persons already living in the community," added Mrs. Wilson. She continued: "This initiative will also enable those individuals who wish to remain in the community to have that choice."

Grants are provided for renovations to improve access for wheelchairs, alert systems for hearing impaired persons, and braille and other tactile features for visually impaired persons.

The next deadline for applications is Oct. 1/88.

Media inquiries: Office for Disabled Persons, Marthe Peters-(416) 963-2280

Program inquiries: Access Fund, Douglas Mayer-(416) 324-3410 (voice/TDD)

Toll-free outside Toronto - 1-800-387-4456.

EASTERN ONTARIO ACCESS FUND RECIPIENTS, SEPTEMBER 1988

AMHERSTVIEW: Blessed Sacrament Parish received \$13,337 to install a stair lift, a ramp, and renovations to a washroom for better accessibility.

ARNPRIOR: First Baptist Church received \$363 to complete accessibility renovations that include a washroom, a lift and a sidewalk.

BELLEVEILLE: Eastminster United Church received \$25,000 for renovations that include providing a grade level entrance, an elevator and two accessible washrooms.

BRAESIDE: The Arnprior District Association for Community Living received \$8,000 to install three ramps and to widen six doors.

FRANKFORD: The Royal Canadian Legion Branch 387, received \$2,500 to renovate its washroom.

OTTAWA: The Boys & Girls Club of Ottawa/Carleton received \$50,000 to install an elevator.

OTTAWA: Trinity Anglican Church received \$3,100 to renovate a washroom and to install an automatic door opener. St. Bartholomew's Church received \$1,866 to install two ramps and to renovate a washroom.

OTTAWA: Paroisse St. Francois d'Assise received \$44,609 to install an elevator. The

Corporation of the City of Ottawa received \$50,000 for the installation of an elevator and a ramp.

PEMBROKE: The Seniors Daycare/Community Residential received \$7,120 for two chair lifts to improve accessibility.

REMINDER

Hearing tests at the Campbellford Legion Hall, Thurs. Sept. 29 from 2-5 pm. Also, don't forget the More Abled Than Disabled Club meeting on Mon. Oct. 3, at 7:30 pm. It will be held at the Community Care office, 44 Front St. N. Hope to see you there.

VENISON

CARE OF WILD ANIMALS: The carcass must be split from the throat down through the breast bone and down through the pelvic bones. The anus (or bung) should be removed. The animal should be bled as quickly as possible. Wrap the bled, cooled carcass in sackings. Edible organs should be prepared and cooked as soon as possible. These organs are highly perishable and do not stand up to the long trip back home.

FREEZING: Let the carcass hang in a cool (35-40 deg.) cold room for 1 to 2 weeks before skinning and cutting for the freezer. Unless you have the cold storage for hanging the carcass and are an expert in meat cutting, your best bet is to have your butcher look after the hanging, cutting, packaging and freezing for you.

OLD JOE'S CAMPBELL RIVER STEW:

- 2 LB venison cut up
- 3 tbsp margarine
- 2 onions, chopped
- 1 tsp mustard
- 1 tsp brown sugar
- 1/4 cup flour
- 1 tsp salt
- 1/4 tsp pepper
- 4 tomatoes sliced
- 1 cup mushrooms
- 1 tsp vinegar

Melt margarine and brown onions with mustard and sugar. Dip meat in flour mixed with salt and pepper. Brown with the onions. Put into a stew pot, lay the tomatoes and mushrooms over it, sprinkle with vinegar and stew slowly for about 3 hours.

CHOW! See you next week.

WORKING HARD FOR YOU!

The 120th edition of the Rose-neath Fair goes on Oct. 1 & 2. There will be the usual Dairy Cattle shows, Horse shows (Light, Heavy and Morgan).

Sheep shows. Poultry displays. As well there will be Horse Shoe pitching, a Tug of War, a Classic and Antique Car display and the midway with

the 'Carousel'! Don't forget the carousel.

There will be a dance on Saturday evening with the Family Tradition supplying the

music. While on Sunday the Trenton Oldtime Fiddlers will be performing in the Variety show. So come to the fair the Roseneath Fair. The Fair

according to Howard Shepperd that is, "the best Fair east of Toronto."

by Marion Streb
For the Federation
of Ontario Naturalists

Reminders of summer's passing are all around us. Yesterday, a small flock of Chickadees and White-breasted Nuthatches moved boisterously through the wood; calling constantly, a sure sign that they are rid of the responsibilities of feeding young.

In Pembroke, where huge flocks of swallows gather in preparation for fall migration, the influx is already underway and increasing daily. The swallows have chosen a sandy point at the confluence of the Muskrat and Ottawa rivers.

Located within the city limits, this roosting spot in young willows, is occupied during the peak period from the end of July to mid-August, by as many as 150,000 swallows. As August progresses and cold fronts move in, the birds gradually disperse. By early September the roost is deserted.

All six varieties of swallows native to Ontario are represented at the roost. Four species are especially abundant. Purple Martins, the largest of the species, are

Cont'd on page 7

IODE

The September meeting of was held at the Legion with Hendrina Parcels presiding.

Barb Althouse reported that Susan Carlow's name has been submitted for the **Lucy Morrison Memorial Bursary** and a parcel of school supplies and activity books have been sent to our adopted class in Labrador. A Christmas time parcel will also be sent.

IODE awards were presented in June at graduation with **Kali Buck** and **Natahasa Pulfer** as winners at the separate and public schools.

Commencement will be November 4 at the High School. The IODE will present an award to the top English student in grade 12 and the Helen Athison Memorial Bursary will be presented to a student or students who are continuing their education in the medical field.

A display will be set up at the Fair depicting the works of the IODE.

Several donations were made:

One month's rent will be paid for Dr. Keough; \$75 was donated to the Santa Claus Parade and \$50 was given to the Jamaica Fund.

November 12 will be the date for our Remembrance Day Tea & Bazaar.

Clare Borland and Leitha Daynes are again organizing the **Bridge Marathon**. Anyone wishing to to play bridge this winter should contact Clare.

Following the meeting lunch
was served.

Featuring the Trenton Old Time Fiddlers	

1988 Madoc Fair

Entertainment - Dale Page of Brantford was at the centre of the fair's activity for the duration of the fair, with his one piece band.

Doggone - Lizzy Morley (L) and her friend Alison Mitchell accompany the Morley's dog, Lady, to the Mutt Show Sunday afternoon.

Contestants - This is Darby (R) and Rachel Smith, both have the same last name, but are unrelated. Let's get it straight now.

This way - Randy Whiteman and Mark Chertus were the fair's tug-of-war controllers. Job well done guys.

Warkworth golf course news

Warkworth Golf Club held its fifth annual Mr. & Mrs. Invitational Tournament on Sunday September 11th. A total of 75 couples participated in this selective drive, alternate shot event under perfect weather conditions.

Low gross for the field went to Greg and Lynn Jenkins with an 18 hole score of 73. Karl and Barb Howse of the host club recorded the second low gross with a score of 76. Third low gross went to Bob and Linda Flemming of Tamarac Golf Club with a score of 77.

Low net for the field was recorded by Bob and Sally Ball, Dave and Peggy Wilson, and Peter and Jean Oliver followed with second and third low net respectively.

Once finished their golfing, all participants sat down to a roast beef dinner prepared by the golf course followed by a presentation of the prizes.

Special thanks to prize contributors: Tom and Lola Holmes, Jim and Ruby Horne, Bob Holmes and Gord and Mary Hutchinson.

Another annual tournament held at the Golf Course recently was the Fred Taylor Invitational. Approx. 50 golfers participated in 18 holes of golf followed by a roast beef dinner and the awarding of prizes. The winners are: 1st low gross - Lou Doucette 73, 2nd low gross - Reg Bloomer 77, 1st low net - Watson Tidd 71, 2nd low net - Reg Anderson 71.

Just recently, Lloyd Johnston of Campbellford, captured the Wednesday afternoon League Championship defeating David Wilson, Gord Lockin and Oscar Teal. Congratula-

tions on winning the Campbellford Chrysler Trophy.

WARKWORTH HOME FURNISHINGS TUESDAY NIGHT MENS' LEAGUE

The following is a list of the top eight teams from the Tuesday night league. These teams qualify for the playoffs to determine the champs who will then the Wednesday night league champs to find the 2 man Best Ball Club Champ.

Paul Brinkley and Don Massey - Warkworth, 30 Jim Reavell and Gar Towns - Campbellford, 27 Bruce Dunk and Walter Rutledge - C'ford W'worth, 27 Vic Andrews and Hugh McDonald - Brighton, 25 Cliff Piontz and Al Viebaucher - Colbourne, 25 Frank Trombley and Rob Cooper - Warkworth, 24 Ian Graham and Elwood Lisle - Brighton, 24 Doug Welland and Ray Clark - W'worth C'ford, 23

ELTON HUTCHINSON WEDNESDAY NIGHT MENS' LEAGUE

Listed below are the results from the League's final of the regular season. These are the top eight teams which have proceeded to the playoffs.

Gord Welland and Don Massey - 26, Graham Wilson and Art Turner - 26, Al Weaver and Roy MacLaren - 26, Fred Crate and Norm Clifford - 25, Tom Holmes and George Holmes - 25, Karl Howse and Pete Haig - 24, Ab Nelson and Jack Nelson - 23, Havelock Bingley and John Ferguson - 23.

The most recent results show

the teams of Bingley Ferguson and Howse Haig reaching the finals. These two teams will play their final match of 18 holes for the Wednesday Night League Championship title.

The Tuesday and Wednesday Night Leagues mentioned above, had a closing scrabble and spaghetti night. The winning team with a low gross included Pete Haig, Graham Wilson, Havelock Bingley and David McDougall.

THURSDAY NIGHT MIXED LEAGUE

Listed below are the top eight teams which are playing off for the championship.

Bob and June Bryans - Trent River, 24, Tom and Lola Holmes - Campbellford, 23, Anne Newman and Charlie Wheatley - Campbellford, 20, Al and Muriel Nichols - Warkworth, 19, Lloyd and Irene Parker - Rosemeath, 18, Jim and Ruby Horne - Warkworth, 17, Gord and Mabel Welland - Warkworth, 16, Ron and Audrey Leal - Warkworth, 15.

HALF CENTURY FRIDAY MORNING MENS' LEAGUE

With 49 men registered and an average of 36 men playing every Friday morning, September 9 saw the crowning of the new champion, Charlie Wheatley. Charlie left no doubt in any minds as he lead from the very first game on May 6th. Congratulations Charlie. The 21 leaders at the final day were:

Charlie Wheatley, 27, Jack Hastie, 21, Ron Leal, 21, Norm Clifford, 19, Bob Edgar, 18, Dave Wilson, 17, Stu Fuller, 16, Jack Trimble, 16, Clem Milne, 15, Burt Purvis, 15, Ed Lane, 14, Merv Napper, 14, Alvin Howard, 13, Bill Johnston, 13, Gene Tracy, 13, Mac Brett, 12, Walter Rutledge, 12, Vic Taylor, 12, Art Turner, 12, Bill Voest, 12, Gord Welland, 12.

Thanks fellows for a great season!

FULLY LICENCED

by Ken Yarrow

Madoc Fair is over for another year and, despite of the loss of the midway, it was a success.

Many people have asked about the midway. It seems that the people who own the basic equipment had problems. At almost the eleventh hour (for Madoc), the main power generating unit gave out on them. A replacement was unavailable to them because of the high number of fairs on this particular weekend and so we had to continue without them.

Fortunately, the other major attractions, displays, etc. were there and all in all, things functioned normally. It is indeed fortunate that the present board is receptive to

The Rural Scene

BIG BEAR ATTACKS ANYTHING.

Big Bear

It's out there. 350 cc's of brute force, a hulking, heavy-duty frame, extra-big tires, and full-time four-wheel drive. Plus, dep-biting traction only Yamaha's Torque Control Differential can give you. (Low and high range transmission, too.)

Feel like turning the Bear loose for some fun after work?

Nothing's stopping you.

YAMAHA

new and progressive ideas and such things as the log sawing contest and the animal display from Joy Wind farms helped to fill the gap.

We would also extend thanks to Madoc IGA for the loan of the train. It definitely was a hit with the smaller children. Also on short notice, the Petersons brought in some quiet ponies that were a hit as well.

On behalf of the Madoc Fair Board, I would like to thank all who assisted and all who attended. Without the generous co-operation and support of the community, we would not be able to survive.

I saw our editor at the fair, so I assume that she will print much of the details. Therefore, the results of competitions, etc., I will leave to her.

At first look, it would appear that receipts were average with other years. It certainly was a good weekend weather wise and this, of course, is a major factor.

The Huntingdon Township Fire Dept. Ladies Auxilliary is again on the scene with another excellent Christmas Craft Show & Tea, their third actually. These have been a great success; very colorful and an opportunity to acquire a gift or something for yourself

that is not created in quantities. Very precise dedicated craftsmanship into these articles.

Brenda Allen tells me have six new exhibitors year, as well, the Ivanhoe is booked full. So, we now have six new exhibitors plus the ones with new ideas, products, as well as the ones that proved to be favorable years.

Only \$1 for adults and cents for children pays admission, as well as purchasing tea, sweets and make an assumption, now. This all is taking place October 1st and 2nd, at 10 to 4 p.m., both Saturday and Sunday.

If this sweet business continues I could get fat all so tasty I hardly can resist. See you there.

Red Cross. Ready.
